External Email - Exercise Caution

I've lived in Lost Creek for 17 years. I approve of the re-zoning of the City View property near the entrance of our neighborhood.

It is a very under-utilized office park and the property should be put to a better use. Our area of Austin does not have enough housing nor enough restaurants and other businesses.

I think that traffic studies, height caps, and evacuation studies are unnecessary and only serve to slow things down, not to actually help make Austin better.
