Each Participating Entity requires elections to be held on November 3, 2026 in those portions the Participating Entity's territory that are located in Travis County.

2. Under Texas Election Code Section 271.002, political subdivisions of the State of Texas are authorized to hold elections jointly in voting precincts that can be served by common polling places if elections are ordered by the authorities of two or more political subdivisions to be held on the same day in all or part of the same territory.

3. Texas Government Code Chapter 791 authorizes local governments to contract with one another and with state agencies for various governmental functions, including those in which the contracting parties are mutually interested.

4. It would benefit the County, the Participating Entities, and their respective citizens and voters to hold the elections jointly in the election precincts that common polling places can serve.

Pursuant to Texas Election Code Sections 271.002 and 271.003 and Texas Government Code Chapter 791, this Joint Election Agreement is entered into by and between Travis County, a political subdivision of the State of Texas acting by and through the Travis County Commissioners Court, and the Participating Entities, each acting by and through their respective governing bodies.

Docusign Envelope ID: F7F23031-FBD1-8973-83E3-46B859EE7814

Each of the Participating Entities agrees to conduct its early voting jointly. Each of the Participating Entities appoints the Travis County Clerk, the early voting clerk for Travis County, as the early voting clerk for the joint election. Early voting for the Participating Entities will be conducted at the dates, times, and locations as selected by the Election Officer and authorized and ordered by the governing body of each Participating Entity.

A. County Responsibilities

1. The County will provide to the governing body of each Participating Entity a list of locations, times, and dates of early voting polling places suitable for consideration and adoption by the governing body, in accordance with Texas Election Code chapter 85. The Election Officer will designate and confirm all Election Day polling place locations.

2. The Travis County Clerk, as the early voting clerk, will be responsible for conducting early voting by mail and by personal appearance for all Travis County voters voting in the joint election. The Travis County Clerk will receive from each Participating Entity's regular early voting clerk applications for early voting ballots to be voted by mail, under Texas Election Code Title 7. The Travis County Clerk will send early voting ballots by mail and receive early voting ballots for early voting by mail. The Travis County Clerk may appoint such deputy early voting clerks as necessary to assist the Travis County Clerk with voting to take place at the early voting locations.

3. The County will determine the number of election workers to hire to conduct early voting in the joint election. The Travis County Clerk will arrange or contract for training for all election workers and will assign all election workers employed for early voting in the joint election. The training of these election workers is mandatory; these individuals will be compensated for their time in training. The County will provide a training facility for election classes to train election workers employed in conducting early voting, including early voting by personal appearance at main and temporary branch early voting polling places, early voting by mail, and other aspects of the early voting program for the joint election. The County will name early voting deputies and clerks employed to conduct early voting.

4. The County will provide and deliver all supplies and equipment necessary to conduct early voting for the joint election, including ballots, election forms, any necessary ramps, utility hook-ups, signs, registration lists and ballot boxes, to early voting polling places. Docusign Envelope ID: F7F23031-FBD1-8973-83E3-46B859EE7814

6. Under Election Code sections 66.058 and 271.010, the Participating Entities appoint the Travis County Clerk as the joint custodian of records for the sole purpose of preserving all voted ballots securely in a locked room in the locked ballot boxes for the preservation period that the Election Code requires.

7. The County will receive ballot language in both English and Spanish from each Participating Entity and format the ballots as needed to include these languages. The County will provide each Participating Entity with a final proof of ballot language for approval before printing the ballots. Upon final proof approval, ballots will be printed in an expedited timeframe so as to allow ballot allocations for the ballot mail outs for the Early Voting by Mail Program.

8. A single joint voter sign-in process consisting of a common list of registered voters, and common signature rosters will be used for early voting. A single, combined ballot and any number of ballot boxes required for each election site, as determined by the County, will be used. The County will use an electronic voting system, as defined and described in Texas Election Code Title 8, and agrees to use ballots that are compatible with such equipment.

9. The County will be responsible for facilitating the appointment and operation of the Early Voting Ballot Board. The County will designate a person to serve as the presiding judge for the Early Voting Ballot Board and will provide that information to the governing body of each Participating Entity for entry of an order by that authority appointing this official. The presiding judge for the Early Voting Ballot Board is eligible to serve in this capacity. The presiding judge for the Early Voting Ballot Board will appoint two or more election clerks, and the judge and clerks will comprise the Early Voting Ballot Board and will count and return early voting ballots and perform other duties the Election Code requires of it. This provision applies only in elections that are also countywide elections. In elections that are not also countywide elections, the Participating Entity will be responsible in making the presiding judge and the alternate presiding judge appointment. The Participating Entity will be responsible for these appointments unless the Participating Entity expressly grants to the County that authority. If the Participating Entity does not make the appointments within 45 days of the election, then the County will make those appointments.

10. The County will be responsible for facilitating the appointment and operation of the Signature Verification Committee, if needed. The early voting clerk will issue a written order creating the committee if the early voting clerk determines that a signature verification committee should be appointed or if the clerk receives a petition signed by at least 15 registered voters for the creation of the committee. The early voting clerk will determine the number of members on the committee, providing for a minimum of five (the committee chair and four members), and they will comprise the Signature Verification Committee. The Signature Verification Committee will meet

Docusign Envelope ID: F7F23031-FBD1-8973-83E3-46B859EE7814

In elections that are not also countywide elections, the Participating Entity will be responsible in making these appointments. Not later than the fifth day after the date the early voting clerk issues the order calling for the appointment of a signature verification committee, or not later than October 15 for a committee required on the written request by at least 15 registered voters of the county in the general election for state and county officers, the Participating Entity will be responsible for appointing the members unless the Participating Entity expressly grants to the County that authority. If the Participating Entity does not appoint the members of the Committee by the above deadline, then the County will make those appointments.

The Participating Entity must make any additions, modifications, deletions, or other changes to such ballot contents or language before the Participating Entity's final proof approval. The County will provide the Participating Entity with a final proof of ballot language, as it is to appear on the ballot, for final proof approval. Upon final proof approval, the ballot will be programmed for the voting equipment in an expedited timeframe so as to allow ballot allocations for the printed ballot mail outs for the Early Voting by Mail Program.

the attached exhibits, with designation of registered voters in each Participating Entity, for use at the joint election day polling place on Election Day.

8. The common polling place is designated as the polling place that the County uses. At the common polling place, any number of ballot boxes required for each election site, as determined by the County, will be used for depositing all ballots cast in the joint election. At this polling place, one voter registration list and one combination poll list and signature roster form will be kept for the joint election. The final returns for each Participating Entity and the County will be canvassed separately by each respective Participating Entity. The Travis County Clerk will maintain a return center on Election Day for the purpose of receiving returns from the County. The Travis County Clerk will provide unofficial election results to the qualified individual appointed by each Participating Entity.

9. On Election Day, the Travis County Clerk or the clerk's Elections Division will field all questions from election judges.

10. The County will make available translators capable of speaking English and Spanish to assist Spanish-speaking voters in understanding and participating in the election process in the territory covered by this agreement.

B. Participating Entities' Responsibilities

1. Before Election Day, each Participating Entity will answer questions from the public with respect to the Participating Entity's election during regular office hours of 8:00 a.m. – 5:00 p.m.

2. Each Participating Entity shall keep their office open for election duties for at least 3 hours per day, during regular office hours, on regular business days beginning no later than the 50th day before the date of each general election or by the 3rd day after the date a special election is ordered and ending no earlier than the 40th day after election day.

3. The custodian of records for each Participating Entity will receive returns from the Travis County Clerk on Election Day.

V. Election Night

A. County Responsibilities

1. The County will be responsible for all activities on election night, including setting up a central counting station, coordinating and supervising the results tabulation, coordinating and supervising the physical layout of the

Docusign Envelope ID: F7F23031-FBD1-8973-83E3-46B859EE7814

support stations that are the joint election's receiving substations, and coordinating and managing election media coverage.

2. The County is responsible for coordinating the transport of voted ballot boxes to the central counting station.

3. The County will appoint the presiding judge and alternate presiding judge of the central counting station to maintain order at the central counting station, to administer oaths as necessary, to receive sealed ballot boxes, and to perform such other duties that the Texas Election Code requires, and will forward such information to each Participating Entity in a timely fashion to allow the governing body of each Participating Entity to enter appropriate orders designating such election officials before the election. The presiding judge of the central counting station may appoint clerks to serve at the central counting station. In addition, the County will appoint a tabulation supervisor to be in charge of operating the automatic tabulating equipment at the central counting station; an individual to serve as central counting station manager; and an assistant counting station manager to be in charge of administering the central counting station and generally supervising the personnel working at the central counting station. The County will forward such information to each Participating Entity in a timely fashion to allow the governing body of each Participating Entity to enter appropriate orders designating such election officials before the election. This provision applies only in elections that are also countywide elections.

   In elections that are not also countywide elections, the Participating Entity will be responsible in making these appointments. The Participating Entity will be responsible for all appointments unless the Participating Entity expressly grants to the County that authority. If the Participating Entity does not make the appointments within 45 days of the election, then the County will make those appointments.

4. The County will provide the Participating Entities with reasonable space in a public area adjacent to the central counting station at which each Participating Entity may have representatives or other interested persons present during the counting process.

B. Participating Entities' Responsibilities

Other than receiving returns from the Travis County Clerk, the Participating Entities have no role or responsibility on the night of the election.

VI. County Resources

A. The County will provide the Elections Division permanent staff and offices to administer the joint election, under the Travis County Clerk's direction.

Docusign Envelope ID: F7F23031-FBD1-8973-83E3-46B859EE7814

B. For early voting, the County will provide a locked and secure area in which voted ballot boxes will be stored until the Early Voting Ballot Board convenes. The County, by and through Administrative Operations, will be responsible for transporting the ballot boxes to the central counting station for the Early Voting Ballot Board.

C. The County will be responsible for providing and maintaining voting equipment and testing any voting equipment as required by the Texas Election Code.

D. The County will process the payroll for all temporary staff hired to conduct the joint election. The payroll processing includes statutory reporting and providing W-2 forms where applicable.

E. The County will conduct early voting as indicated in this agreement.

VII. Joint Election Costs; Payment

A. Concurrently with its submittal of an executed copy of this agreement each Participating Entity must also submit payment via check or ACH, in the amount equal to the deposit identified for that Participating Entity in the Cost Estimate attached as Exhibit B, which is also incorporated into this agreement. The County is under no obligation to conduct a Participating Entity's elections until the County receives that Participating Entity's payment of Cost Estimate. All checks must be made payable to Travis County. This deposit represents approximately 60% of the costs of the Participating Entity's share of the estimated election costs, or $100, whichever amount is greater. The County will submit an invoice to each Participating Entity for the balance of the Participating Entity's actual joint election expenses upon the election's completion. Joint-election expenses include expenses for facilities, personnel, supplies, and training that the County actually incurs for establishing and operating all early voting and election-day activities at the polling place in the joint election territory as well as activities related to tabulating votes, all as reflected on the Cost Estimate. Each Participating Entity will pay the total amount of its invoice no later than 30 days of receiving it.

B. In the event of a recount, the expense of the recount will be borne by the Participating Entity involved in the recount on a pro-rata basis.

C. In the event a Participating Entity cancels its respective election because of unopposed candidates under Texas Election Code Title 1, the Participating Entity will be responsible for its respective share of election expenses incurred through the date that the election is canceled as allocated to the cancelling entity based on the formula in the Cost Estimate, adjusted for the actual expenses incurred by the County through the date of the cancellation. If a Participating Entity cancels its election, the County will recalculate the allocation percentages among the remaining Participating Entities according to the formula used in the Cost Estimate.

Docusign Envelope ID: F7F23031-FBD1-8973-83E3-46B859EE7814

D. In the event there are any expenses associated with processing a ballot arising from a write-in candidate, the Participating Entity that received the declaration will bear the expenses.

E. If the Participating Entity desires to establish an early voting polling place, other than those sites the Election Officer has already selected, the Participating Entity must submit the request to the Election Officer no later than 60 days before the election. The Election Officer will work with the Participating Entity to explore whether adding the location is appropriate for that election. Notwithstanding any provision to the contrary, the Election Officer has sole discretion to determine whether to provide any additional early voting sites requested by the Participating Entity.

If the Election Officer agrees that adding a proposed location is appropriate for that election, the Election Officer will thereafter provide a written estimate to the Participating Entity that sets forth the estimated cost for providing the additional early voting location(s) and the deadline by which the cost estimate must be paid, as set forth in Exhibit B. The Participating Entity will be responsible for the full cost of the additional site(s) that is being requested. If after receiving the cost estimate, the Participating Entity desires to move forward with having the additional early voting location(s), the Participating Entity will notify the Election Officer and include payment of the cost estimate with the Participating Entity's notice to the Election Officer no later than the deadline specified in the Election Officer's cost estimate.

VIII. General Provisions

A. Legal Notices

Each of the Participating Entities will be individually responsible for preparing the election orders, resolutions, notices, and other pertinent documents for adoption or execution by its own respective governing board and for all related expenses. The Travis County Clerk will provide each Participating Entity information on changes affecting the Participating Entity's election, such as polling place changes and changes in voting equipment, when such changes are confirmed, verified, or otherwise become known to the clerk's office. Each of the Participating Entities will be individually responsible for posting or publishing election notices and for all related expenses. Each of the Participating Entities further will be individually responsible for election expenses incurred in relation to any polling place that is not a common polling place as designated in this agreement.

B. Communication

Throughout this agreement's term, the Travis County Clerk or the clerk's employee will meet as necessary with the designated representative of each Participating Entity to discuss and resolve any problems that might arise regarding the joint election.

Docusign Envelope ID: F7F23031-FBD1-8973-83E3-46B859EE7814

C. Custodian

The Travis County Clerk will serve as the custodian of the keys to the ballot boxes for voted ballots in the joint election.

D. Effective Date

This agreement takes effect upon its complete execution by all Participating Entities and the County. The obligation of each Participating Entity to the County under this agreement will not end until that Participating Entity pays the County its share of the joint election costs.

IX. Miscellaneous Provisions

A. Amendment/Modification of Exhibits A and B

1. The Participating Entities acknowledge and agree that Exhibit A and Exhibit B may be amended to add or remove entities wishing to participate or cease participating in the agreement. The Participating Entities agree to future amendments of Exhibit A and Exhibit B and authorize the County to enter into such amendments without the Participating Entities' having to sign the future amendments. The County agrees to notify all Participating Entities of any amendments to Exhibit A and Exhibit B.

2. Except as otherwise provided, this Agreement may not be amended in any respect whatsoever except by a further agreement in writing, duly executed by the parties to this agreement. No official, representative, agent, or employee of the County has any authority to modify this Agreement except by express authorization from the Travis County Commissioners Court. No official, representative, agent, or employee of any Participating Entity has any authority to modify this agreement except by express authorization from the governing body of the respective Participating Entity. The Travis County Clerk may propose necessary amendments to this agreement in writing in order to conduct the joint election smoothly and efficiently, except that any such proposed amendment must be approved by the Travis County Commissioners Court and the governing body of each respective Participating Entity before the amendment will be effective.

B. Notice

Any notice to be given in this agreement, by any party to the other, must be in writing and delivered personally or by certified mail, return receipt requested, to the proper party at the addresses listed in Exhibit A.

Each party may change the address for notice to it by giving notice of the change under this section's terms.

C. Force Majeure

Docusign Envelope ID: F7F23031-FBD1-8973-83E3-46B859EE7814

In the event that the County cannot perform any of its obligations in this agreement or is interrupted or delayed by any occurrence not occasioned by its own conduct, whether it be an act of God, the result of war, riot, civil commotion, sovereign conduct, epidemic, pandemic, or other event declared a disaster (including a disaster declared by the County Judge), or like reason, then the County will be excused from performing for such period of time as is reasonably necessary after such occurrence to remedy its effects.

D. Venue and Choice of Law

The Participating Entities agree that venue for any dispute arising under this agreement will lie in the appropriate courts of Austin, Travis County, Texas. This agreement is governed by and is to be construed under the laws of Texas and the United States of America.

E. Entire Agreement

This agreement contains the parties' entire agreement relating to the rights granted and the obligations assumed in it, and it supersedes all prior agreements, including prior election services contracts relating to each Participating Entity's November 3, 2026 election. Any prior agreements, promises, negotiations, or representations not expressly contained in this agreement are of no force or effect. Any oral representations or modifications concerning this agreement have no force or effect, except a subsequent amendment in writing as this agreement provides.

F. Severability

If any provision of this agreement is found to be invalid, illegal or unenforceable by a court of competent jurisdiction, such invalidity, illegality, or unenforceability will not affect the agreement's remaining provisions; and its parties will perform their obligations under the agreement's surviving terms and provisions.

G. Breach

In the event that any Participating Entity or the County breaches any of its obligations under this agreement, the non-breaching party will be entitled to pursue any and all rights and remedies allowed by law.

H. Payments from Current Revenues

Payments made by the Participating Entities in meeting their obligations under this agreement will be made from current revenue funds available to the governing body of the respective Participating Entity. Payments made by the County in meeting its obligations under this agreement will be made from current revenue funds available to the County.

Docusign Envelope ID: F7F23031-FBD1-8973-83E3-46B859EE7814

I. Other Instruments

The Participating Entities agree that they will execute other and further instruments or any documents as may become necessary or convenient to effectuate and carry out this agreement's purposes.

J. Third-Party Beneficiaries

Except as otherwise provided in this agreement, nothing in this agreement, expressed or implied, is intended to confer upon any person, other than the parties to it, any of its benefits, rights, or remedies.

K. Other Joint Election Agreements

The County and the Participating Entities expressly understand and acknowledge that each may enter into other joint election agreements with other political subdivisions, to be held on Election Day and at common polling places covered by this agreement, and that the addition of other political subdivisions as parties to this agreement will require amending Exhibits A and B.

L. Mediation

When mediation is acceptable to both parties in resolving a dispute arising under this agreement, the parties agree to use a mutually agreed upon mediator, or a person appointed by a court of competent jurisdiction, for mediation as described in Texas Civil Practice and Remedies Code section 154.023. Unless both parties are satisfied with the mediation's result, the mediation will not constitute a final and binding resolution to the dispute. All communications within the scope of the mediation will remain confidential as described in section 154.073, unless both parties agree, in writing, to waive the confidentiality. Despite this, the parties intend to fully comply with the Texas Open Meetings Act and the Texas Public Information Act whenever applicable. The term "confidential" as used in this agreement has the same meanings as defined and construed under the Texas Public Information Act and the Texas Open Meetings Act. Notwithstanding any provision to the contrary, nothing in this Agreement requires the County or a Participating Entity to waive any applicable exceptions to disclosure under the Texas Public Information Act.

M. Counterparts

This Agreement may be executed in multiple counterparts, all of which will be deemed originals and with the same effect as if all parties to it had signed the same document. Signatures transmitted electronically by e-mail in a "PDF" format or by DocuSign or similar e-signature service shall have the same force and effect as original signatures. All of such counterparts will be construed together and will constitute one and the same agreement.

JOINT ELECTION AGREEMENT BETWEEN HAYS COUNTY AND THE CITY OF AUSTIN

This Joint Election Agreement ("Agreement") is entered into on August 10, 2026, between the City of Austin, (referred to throughout as the Local Political Subdivision or "LPS") P.O. Box 1088, Austin, TX, 78767 and Hays County (the "County"), 120 Stagecoach Trail, San Marcos, Texas 78666, collectively referred to as the Parties.

This Agreement is authorized by Chapter 31 of the Texas Election Code, Chapter 791 of the Texas Government Code and Section 271.002 and 271.003 of the Texas Election Code. The Parties to the Agreement agree as follows:

Section 1. ***Scope of Agreement.*** The LPS enters into this Agreement for the conduct of the elections to be held from January 1, 2026, to December 31, 2026.

Section 2. ***Appointment of Election Officer.*** The LPS appoints the Hays County Elections Administrator to serve as the Election Officer (the "Officer") in order to perform and supervise the duties and responsibilities of the Election Officer for any election from January 2026 through December 2026.

Section 3. ***Early Voting Polling Locations.*** To facilitate the administration of elections, and as a convenience to the voters, during the early voting period established by statute, the LPS agrees to designate the Hays County Election Administrator's Office, 120 Stagecoach Trail, San Marcos, Texas 78666 as the main early voting polling place for the LPS. Furthermore, the LPS agrees to designate temporary branch early polling places in accordance with Section 85.062, Election Code, V.T.C.A. as called out in the latest Election Orders.

Section 4. ***Voting by Mail Ballot.*** The LPS and County agree that early voting by mail ballot shall be conducted in accordance with the applicable provisions of the Texas Election Code and that 120 Stagecoach Trail, San Marcos, Texas 78666 is the early voting clerk's mailing address to which ballot applications and ballots voted by mail shall be sent for the LPS.

Section 5. ***Election Day Polling Locations.*** Election Day voting shall be held in approved vote centers where appropriate at the dates, times, and locations recommended by the Election Officer and authorized and ordered by the governing body of the LPS.

Section 6. ***Election Day.*** On Election Day, all forms used in the conduct of the election, including but not limited to the poll list, signature roster, ballot registers, expense accounts, and all oaths and certificates will be used jointly by the two agencies. All forms will be returned to the Hays County Election Administrator who shall keep them in her custody for the period of time prescribed by the Texas Election Code. The County agrees to furnish the LPS with copies of any election documents upon the LPS's request at no charge.

Section 7. ***Use of Common Ballot.*** It is agreed by the parties to this Agreement that a common ballot will be used for joint elections. The USB ("USB") containing the voted ballots for an election will be delivered by the Election Judges to the Hays County Election Administrator's office at 120 Stagecoach Trail, San Marcos, Texas and the USB'S will remain in the Hays County Election Administrator's custody, except that the County agrees to provide the LPS with the necessary documentation, if requested, for canvass of an election or in the event the voted ballots are required for a recount or any court proceedings in which the LPS may be a party. The County agrees to maintain custody of the USB's containing the voted ballots for the period of time prescribed by the Texas Election Code. All USB's that are not placed in active voting equipment will remain locked in the Officers' office. USB's will not be replaced without being logged out and checked out by the Officer at any time during an election. An audit shall be conducted to ensure that all USB's are present and accounted for. A spreadsheet shall be completed at the end of Early Voting and Election Day returns that will identify the number of signatures on the Combination Log and the number of Cancelled booths, for a representation of voter totals. All replaced equipment will remain secured until after tabulation to ensure that all checks and balances have been satisfied.

Section 8. ***Reporting of Returns.*** The Officer shall prepare the unofficial and official tabulation of precinct results under Section 66.056(a) of the Texas Election Code. The unofficial tabulation of Early Voting precinct results and Election Day precinct results shall be made available to the LPS via email as soon as they are prepared and may be released under law, but no earlier than 7:00 p.m. on Election Day. The Officer or their designee will use their best efforts to post all reports for public review on the Hays County Elections website at www.co.hays.tx.us/elections as soon as reasonably possible.

Section 9. ***Cost Sharing.*** The LPS agrees to the cost sharing provisions below. This includes Hays County, the school districts of the county, the cities of the county, and the water districts and all other entities contracting for election services. The costs incurred with Early Voting locations and Early Voting Clerks will be shared only by entities utilizing the polling location for their individual election contest.

The formula is as follows:

Example:

Registered Voters in County -	135,000	135,000/255,000=	52.94% of total cost
Registered Voters in Joint Entity A -	100,000	100,000/255,000=	39.23% of total cost
Registered Voters in Joint Entity B -	20,000	20,000/255,000=	7.84% of total cost
Aggregate Registered Voters -	255,000		

$1,000-dollar minimum cost for elections that don't exceed that total. Since programming and supplies would exceed the cost of elections with very small voter registration populations. Equipment Rental Fees allocated separately.

Section 10. ***Amendments.*** This Agreement may not be amended or modified except in writing and executed by both the LPS and the County. Neither party may assign this Agreement without the written consent of the other party. However, the Officer may assign deputies to perform any of the contracted services and may contract with third persons for election services and supplies.

Section 11. ***Effective Date.*** This Agreement contains the entire agreement between the parties and supersedes all prior understandings and agreements between the parties regarding such matters. The term of this Agreement will commence on January 1, 2026 and end on December 31, 2026.

Section 12. ***Force Majeure.*** Either of the parties to this Agreement shall be excused from any delays and/or failures in the performance of the terms and conditions of this Contract, to the extent that such delays and/or failures result from causes beyond the delaying/failing party's reasonable control, including but not limited to war (whether declared or not), armed conflict or the serious threat of the same (including but not limited to hostile attack, blockade, military embargo), hostilities, invasion, act of a foreign enemy, extensive military mobilization, civil war, riot, rebellion, revolution, military or usurped power, insurrection, civil commotion or disorder, mob violence, act of civil disobedience, act of terrorism, sabotage or piracy; plague, epidemic, pandemic, outbreaks of infectious disease or any other public health crisis, including quarantine, social distancing, isolation or other behavioral restrictions; act of authority whether lawful or unlawful, compliance with any law or governmental order, rule, regulation or direction, curfew restriction, expropriation, compulsory acquisition, seizure of works, requisition, nationalization; act of God or natural disaster such as but not limited to violent storm, cyclone, typhoon, hurricane, tornado, earthquake, landslide, flood, damage or destruction by lightning, drought; explosion, fire, destruction of machines, equipment and of any kind of installation, prolonged breakdown of transport, telecommunication or electric current; shortage or inability to obtain critical material or supplies to the extent not subject to the reasonable control of the subject party ("force majeure event ") whether foreseeable or unforeseeable by the parties at the time of the execution of this Agreement. Any delaying/failing party shall, with all reasonable diligence, attempt to remedy the cause of delay and/or failure and shall recommence all remaining duties under this Agreement within a reasonable time of such remedy, or, when applicable, on the next available dates under the Texas Election Code.

Section 13. Should any provision in this Agreement be found or deemed to be invalid, this Agreement will be construed as not containing the provision and all other provisions which are otherwise lawful will remain in full force and effect, and to this end the provisions of this Agreement are declared to be severable. In case any one or more of the provisions contained in this Agreement are for any reason held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability will not affect any other provision thereof, and this

Agreement will be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

Section 14. Any notice provided for under this Agreement will be forwarded to the following addresses:

THE STATE OF TEXAS COUNTY OF WILLIAMSON

JOINT ELECTION AGREEMENT AND CONTRACT FOR ELECTION SERVICES

This Election Agreement and Contract for Election Services ("Contract") is made by and between the Williamson County Elections Administrator ("Elections Administrator") and political subdivisions ("Participating Authority" or "Participating Authorities") located entirely or partially inside the boundaries of Williamson County. The complete list of Participating Authorities will be available after the final day to cancel an election as prescribed by the Secretary of State's election calendar and will be listed as **Attachment A**.

This Contract is made pursuant to Texas Election Code Sections 31.092 and 271.002 and Texas Education Code Section 11.0581 for an election to be held on the election date of November 3, 2026, and administered by Bridgette Escobedo, Williamson County Elections Administrator. This Contract supersedes any and all prior contracts and agreements to conduct an election between a Participating Authority and the Elections Administrator.

RECITALS

WHEREAS each Participating Authority listed above plans to hold an election on November 3, 2026;

WHEREAS, Williamson County owns an electronic voting system, the Election System and Software (ES&S) EVS 6300 Voting System, which includes the DS200 and DS300 precinct scanners, the DS850 and DS950 central scanner, the Ballot on Demand printer, and the ExpressVote ballot marking device has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended and is compliant with the accessibility requirements for persons with disabilities set forth by Texas Election Code Section 61.012. The Participating Authority's desire to use Williamson County's electronic voting system, to compensate Williamson County for such use, and to share in certain other expenses connected with elections, in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended; and

NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties, IT IS AGREED, as follows:

I. ADMINISTRATION

The Participating Authorities agree to hold an election on November 3, 2026, ("Election") with Williamson County and each other in accordance with Chapter 271 of the Texas Election Code and this Contract. The Elections Administrator shall coordinate, supervise, and handle all aspects of administering the Election as provided in this Contract. Each Participating Authority agrees to pay the Elections Administrator for equipment, programming, election personnel, supplies, services, and administrative costs as provided in this Contract. The Elections Administrator shall serve as the Election Officer for the Election; however, each Participating Authority shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of each Participating Authority as necessary.

It is understood that other political subdivisions and districts may wish to participate in the use of Williamson County's electronic voting system and polling places, and it is agreed that the Elections Administrator may enter into other contracts for election services for those purposes, on terms and conditions generally similar to those set forth in this Contract. In such cases, costs shall be pro-rated among the participants according to Section XII of this Contract.

II. LEGAL DOCUMENTS

Each Participating Authority shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code and/or the Participating Authority's governing body, charter, or ordinances, except that the Elections Administrator shall be responsible for the preparation and publication of all voting equipment testing notices that are required by the Texas Election Code. Election orders should include language that would not necessitate amending the order if any of the Early Voting and/or Election Day polling places change.

Preparation of the necessary materials for notices and the official ballot language shall be the responsibility of each Participating Authority, including providing the text in English and Spanish. Each Participating Authority shall provide a copy of their respective election orders and notices to the Elections Administrator.

In the event the boundaries of the Participating Authority have changed since the last election conducted by Williamson County with the Participating Authority, the Participating Authority shall provide the Elections Administrator with a map of the adopted boundary change in a Shapefile (.shp) format, and if possible, include a spreadsheet listing the addresses (street names and address number ranges) included within the Participating Authority's current boundaries. When adopting boundary changes, Participating Authorities are encouraged to conform to whole census block boundaries included in the latest TIGER file published by the United States Census Bureau. This map and district boundary listing provided to the Elections Administrator shall include any of the Participating Authority's districts used to elect members to the governing body as well as the external boundaries of the Participating Authority. By law, this notice and map must be provided to the Elections Administrator not later than 30 days after the date the boundary change is adopted (Sec. 42.0615, Election Code). In any event, this notice and map must be provided not later than 90 days prior to the date of the election contracted, and if the Elections Administrator determines no good faith effort was made by the Participating Authority to provide the notice and map in a timely manner, the Election Administrator reserves the right to unilaterally withdraw from this contract or modify the services contracted for at his or her discretion. The Participating Authority recognizes and agrees that failure to provide an accurate boundary map in a timely fashion can make it impossible for the Elections Administrator to provide both in-person early and Election Day voting and early voting by mail services necessary to conduct the contracted election, and the Participating Authority assumes all responsibilities to perform these duties upon failure to deliver the boundary map in accordance with this paragraph.

III. NONPERFORMANCE

The Elections Administrator will inform each Participating Authority of any problems or deficiencies in their respective performance of obligations under this Contract, including but not limited to non-adherence to deadlines for requests for information of each Participating Authority by the Elections Administrator, and may set a reasonable period of time to cure or obtain adequate assurance that any such problems or deficiencies will be timely addressed and corrected. **The Participating Authority's failure to cure problems or deficiencies related to its obligations, duties, and responsibilities in accordance with all terms and conditions of this Contract will be considered in any future contracts with Elections Administrator or Williamson County, and any Participating Authority failing to perform will reimburse Elections Administrator for any additional costs and expenses incurred by Williamson County, including all costs associated with interference of conducting the Election.**

IV. VOTING LOCATIONS

The Elections Administrator shall select and arrange for the use of and payment for all Election Day voting locations. Voting locations shall be compliant with the accessibility requirements established by the Texas Election Code Section 43.034 and the Americans with Disabilities Act (ADA). The proposed Election Day voting locations are listed in **Attachment B** of this Contract and may be amended. In the event a voting location is not available or appropriate, the Elections Administrator will arrange for use of an alternate

location. The Elections Administrator shall notify the Participating Authorities of any changes from the locations listed in **Attachment B.**

If polling places for the November 3, 2026, Election are different from the polling place(s) used by a Participating Authority in its most recent election, the Participating Authority agrees to post a notice no later than November 3, 2026, at the entrance to any previous polling places in the jurisdiction stating that the polling location has changed and listing the Participating Authority's polling place names and addresses in effect for the November 3, 2026, Election. This notice shall be written in both the English and Spanish languages.

V. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL

The Elections Administrator will recruit all election workers.

The Elections Administrator will take the necessary steps to ensure that all election judges appointed for the Election are eligible to serve and meet the eligibility requirements in Subchapter C of Chapter 32 of the Texas Election Code and meet any requirements to serve as an election worker set forth by the Williamson County Commissioners Court.

The Elections Administrator shall arrange for the training and compensation of all election judges, clerks, and election personnel. The Elections Administrator shall arrange for the date, time, and place for the presiding election judges to pick up their election supplies. As set forth in Sec. 32.009 of the Texas Election Code, each presiding election judge and alternate presiding judge shall be given written notice of their appointment. The notice from the Elections Administrator will include the polling location and the number of election clerks the presiding judge may appoint.

Each election judge and clerk will receive compensation for actual time working at a polling place and time spent preparing the polling place prior to the Election at the hourly rate established by Williamson County pursuant to Texas Election Code Section 32.091. The election judge, or his/her designee, will receive an additional sum of $25.00 for picking up the election supplies prior to Election Day and for returning the supplies and equipment to the central counting station after the polls close.

The Elections Administrator may employ other personnel as necessary for the proper administration of the Election, including such part-time temporary help as is necessary to prepare for the Election, to ensure the timely delivery of supplies during Early Voting and on Election Day, for the efficient tabulation of ballots at the central counting station, and for the post- election processes conducted by warehouse personnel. Parttime personnel working in support of the Early Voting Ballot Board and/or central counting station on Election Night will be compensated at the hourly rate set by Williamson County in accordance with Texas Election Code Sections 87.005, 127.004, and 127.006.

In accordance with Sec. 31.098 of the Texas Election Code, the Elections Administrator is authorized to contract with third persons for election services and supplies. The actual cost of such third-person services and supplies will be paid by the Elections Administrator and reimbursed by the Participating Authorities.

It is agreed by all parties that at all times and for all purposes hereunder, all election judges, clerks, and all other personnel involved in this Election are independent contractors and are not employees or agents of Williamson County. No statement contained in this Contract shall be construed so as to find any judge, clerk, or any other election personnel an employee or agent of the Williamson County, and no election personnel shall be entitled to the rights, privileges, or benefits of Williamson County employees except as otherwise stated herein, nor shall any election personnel hold himself out as an employee or agent of the Williamson County, unless considered a county employee as determined by the Williamson County Human Resources Department. It is further agreed by all parties that at all times and for all purposes hereunder, all election judges, clerks, and all other personnel involved in this Election are independent contractors and are not employees or agents of a Participating Authority. No statement contained in this Contract shall be construed so as to find any judge, clerk, or any other election personnel an employee or agent of a Participating Authority, and no election personnel shall be entitled to the rights, privileges, or benefits of a Participating Authority employee except as otherwise stated herein, nor shall any election personnel hold himself out as an employee or agent of a Participating Authority, unless considered an employee of the Participating Authority as determined by the governing body of said Participating Authority.

Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap. The Elections Administrator shall provide the necessary voter registration information, maps, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election.

Each Participating Authority shall furnish the Elections Administrator with a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles of offices and text in both English and Spanish languages). The Participating Authorities are required to submit these ballot details in a format or template requested by the Williamson County Elections Office. Each Participating Authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions. The approvals must be finalized with the Elections Office within five (5) calendar days of receipt of the proofs, or the provided proofs shall be considered approved.

In the event a Participating Authority identifies an error after approval of their respective ballot proof(s), and any programming and/or audio files require changes, the Participating Authority approving the original ballot and audio proof will be responsible for the full cost of reprogramming, if required. This will include the cost of reprogramming ballot language and/or audio files for other Participating Authorities as necessary due to software limitations.

Pursuant to Texas Election Code Section 43.007, Early Voting by Personal Appearance and/or the use of Vote Centers on Election Day shall be conducted exclusively on Williamson County's EVS 6300 Voting System. Provisional ballots will be cast on the EVS 6300 Voting System.

Each Participating Authority shall be responsible for the official canvass of its respective election(s). The official canvass of the Election shall not take place before November 3, 2026, and no later than November 13, 2026, as per the Texas Election Code.

The Elections Administrator will prepare the electronic precinct-by-precinct results reports for uploading to the Secretary of State as required by Section 67.017 of the Texas Election Code. Each Participating Authority agrees to upload these reports.

The Elections Administrator shall be responsible for conducting the post-election manual recount required by Section 127.201 of the Texas Election Code unless a waiver is granted by the Secretary of State. Notification and copies of the recount, if waiver is denied, will be provided to each Participating Authority and the Secretary of State's Office.

Each Participating Authority eligible to hold runoff elections after the November 3, 2026, Election agrees that the date of a necessary runoff election shall be held in accordance with the Texas Election Code.

XII. ELECTION EXPENSES AND ALLOCATION OF COSTS

Charges. In consideration for the election services provided hereunder by the Elections Administrator, the Participating Authorities will be charged a share of election costs, a staffing agency fee for election workers, an administrative fee, and for the lease of voting equipment.

1. Share of Election Costs. Each Participating Authority's share of election costs will be (i) a base fee of $1,000.00, (ii) plus a pro rata share of the total of all costs incurred by the Elections Administrator in connection with the administration of elections of other entities held at the same time as the Election. The sum of the base charges from all Participating Authorities will be subtracted from the total of all costs before allocating the remaining costs to each Participating Authority. Each Participating Authority's share of the remaining (allocated) costs will be determined as follows: The number of registered voters in each individual Participating Authority will be divided by the number of all registered voters of all Participating Authorities to determine each entity's pro rata share expressed as a percentage, which will then be multiplied against each of the allocated costs (remaining costs after base charges are subtracted) as itemized on the final Total Cost report/invoice submitted to each Participating Authority after the Election. The end result will be a charge to the Participating Authority of $1,000.00 plus the Participating Authority's allocated share of county-wide election costs not covered by the sum of all base fees received.

2. Each Participating Authority's share of the staffing agency fee for election workers will be determined on a pro rata basis. The staffing agency fee is based on a markup cost percentage of 27% of the gross wages of election workers not classified as employees of Williamson County.

3. Lease of Voting Equipment. Per Texas Election Code Section 123.032(d), the Williamson County Commissioners Court has established the following prices for leasing county-owned voting equipment:

   - $250.00 per ExpressVote Ballot Marking Device
   - $400.00 per DS200/DS300 Precinct Scanner;
   - $6,000.00 per DS850/DS950 Central Count scanner to cover the duration of the Election;
   - $250.00 per electronic pollbook.

   The Participating Authority's share of voting equipment costs will be determined on a pro rata basis. Leasing cost will be calculated once for the Early Voting period and once for Election Day. If the County acquires additional equipment, different voting equipment, or upgrades existing equipment during the term of this Contract, the charge for the use of the equipment may be reset by the Williamson County Commissioners Court.

4. Administrative Fee. Each Participating Authority agrees to pay the Williamson County Elections Administrator an administrative fee equal to ten percent (10%) of its total billable costs, less the staffing agency fee, in accordance with Section 31.100(d) of the Texas Election Code.

The Elections Administrator shall deposit all funds payable under this Contract into the appropriate fund(s) within the Williamson County treasury in accordance with Election Code Section 31.100.

XIII. WITHDRAWAL FROM CONTRACT DUE TO CANCELLATION OF ELECTION

Any Participating Authority may withdraw from this Contract, and the Election should it cancel its election in accordance with Sections 2.051 - 2.053 of the Texas Election Code. Participating Authority is fully liable for any expenses incurred by Williamson County on behalf of Participating Authority plus an administrative fee of ten percent (10%) of such expenses. Any monies deposited with Williamson County by Participating Authority shall be refunded, minus the aforementioned expenses and administrative fee if applicable.

XIV. RECORDS OF THE ELECTION

The Elections Administrator is hereby appointed general custodian of the voted ballots and all records of the Election as authorized by Section 271.010 of the Texas Election Code.

Access to the election records shall be available to each Participating Authority as well as to the public in accordance with applicable provisions of the Texas Election Code and the Texas Public Information Act. The election records shall be stored at the offices of the Elections Administrator or at an alternate facility used for storage of County records. The Elections Administrator shall ensure that the records are maintained in an orderly manner so that the records are clearly identifiable and retrievable.

Records of the Election shall be retained and disposed of in accordance with the provisions of Section 66.058 of the Texas Election Code. If records of the election are involved in any pending election contest, investigation, litigation, or open records request, the Elections Administrator shall maintain the records until final resolution or until final judgment, whichever is applicable. It is the responsibility of each Participating Authority to bring to the attention of the Elections Administrator any notice of pending election contest, investigation, litigation or open records request which may be filed with the Participating Authority.

XV. RECOUNTS OR CONTESTED ELECTION

A recount may be obtained as provided by Title 13 of the Texas Election Code. By signing this document, the presiding officer of the contracting Participating Authority agrees that any recount shall take place at the offices of the Elections Administrator or at a location of the Elections Administrator's choosing, and that the Elections Administrator shall serve as Recount Supervisor and the Participating Authority's official or employee who performs the duties of a secretary under the Texas Election Code shall serve as Recount Coordinator.

In the event of a contested election, the expenses of a new election ordered by a court of competent jurisdiction or Participating Authority will be paid for and by the Participating Authority in accordance with Section 221.014 of the Texas Election Code.

The Elections Administrator agrees to provide advisory services to each Participating Authority as necessary to conduct a proper recount.

XVI. MISCELLANEOUS PROVISIONS

1. The Elections Administrator shall file copies of this document with the Williamson County Treasurer and the Williamson County Auditor in accordance with Section 31.099 of the Texas Election Code.

2. Nothing in this Contract prevents any party from taking appropriate legal action against any other party and/or other election personnel for a breach of this Contract or a violation of the Texas Election Code.

3. This Contract shall be construed under and in accord with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Williamson County, Texas.

4. In the event that one of more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof and this Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

5. All parties shall comply with all applicable laws, ordinances, and codes of the State of Texas, all local governments, and any other entities with local jurisdiction.

6. The waiver by any party of a breach of any provision of this Contract shall not operate as or be construed as a waiver of any subsequent breach.

7. Any amendments of this Contract shall be of no effect unless in writing and signed by all parties hereto.

8. Participating Authority agrees to act in good faith in the performance of this Contract and shall immediately contact and notify the Elections Administrator of any potential problems or issues relevant to the subject matter of this Contract.

9. In the event that any legal action or a recount is filed concerning a Participating Authority's election under any provision of state or federal law, Participating Authority shall choose and provide, at its own expense, legal counsel for Williamson County, and its Elections Administrator or staff if named as a party, witness, or if other discovery or examination of ballots is ordered. Additionally, Participating Authority shall reimburse Williamson County, and its Elections Administrator, the actual costs of any recount or litigation expense and additional election personnel as necessary to complete tasks not otherwise covered under this contract but which are directly related to any recount, contest or other legal action.

10. It is understood that to the extent space is available, that other districts or political subdivisions may wish to participate in the use of Williamson County's election equipment and voting places, and it is agreed that the Elections Administrator may contract with such other districts or political subdivisions for such purposes and that in such event there may be an adjustment of the prorata share to be paid to Williamson County by the Participating Authorities

XVII. COST ESTIMATES AND DEPOSIT OF FUNDS

The total *estimated* cost for the November 3, 2026, Election is $_____ and is based partly on the itemized costs of the November 3, 2026, joint general special election. After the final determination has been made of whom the Participating Authorities will be and the Contracts are fully executed, the Elections Administrator shall provide each Participating Authority with an official cost estimate. Each Participating Authority's percent share of the estimated total cost is based on the number of registered voters and further described in Section XII.1. of this Contract. Each Participating Authority agrees to pay the Williamson County Elections Administrator a deposit of 50% of the *estimated obligation* no later than thirty (30) days after receiving the official cost estimate. As soon as reasonably possible after the election, the Elections Administrator will submit an itemized invoice to each Participating Authority based on the actual expenses (supported by documentation such as time sheets, compensation forms, and invoices) directly attributable to the services provided by the Elections Administrator. The exact amount of each Participating Authority's obligation under the terms of this Contract shall be calculated after the election (or runoff election, if applicable); and, if the amount of an Authority's total obligation exceeds the amount deposited, the Participating Authority shall pay to the Elections Administrator the balance due within thirty (30) days after the receipt of the final invoice from the Elections Administrator. However, if the amount of the Participating Authority's total obligation is less than the amount deposited, the Elections Administrator shall refund to the Participating Authority the excess amount paid within thirty (30) days after the final costs are calculated.

The Participating Authority agrees that it shall provide ballot details as required in Section VI above to the Elections Office not later than the 69th day, Wednesday, August 26, 2026, before the election. It is understood that if the ballot details are not provided to the Elections Office by the 63rd day before the election, September 1, 2026, that the Elections Office may impose a penalty fee of $1000.00 assessed to the total

cost. It is also understood that if the ballot details are not provided to the Elections Office by the 56th day before Election Day, Tuesday, September 8, 2026, this contract will be declared null and void and it will be the responsibility of the political entity to conduct a separate election.
