Austin -

The Historic Preservation Committee of the South River City Citizens wishes to formally request postponement of the Planning Commission review of historic landmark zoning for 1109 Travis Heights Blvd., currently scheduled for November 10.

We need more time prepare for the meeting. Also, we need more time to answer your request for some of the source material we found while researching the history of this house. You asked for that last week, and I have asked the other members of our committee who presented our case to the Historic Landmark Commission. They are working on it.

Thank you for your help on this important case for our neighborhood.

Sincerely,

Clifton Ladd
SRCC Historic Preservation Committee Co-Chair
