Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of, and furnished by, the City, to the Holder requesting the exchange.

benefits under the Twenty-Fourth Supplement, as the Bonds surrendered in the transfer or exchange.

All transfers or exchanges of Bonds shall be made without expense or service charge to the Holder, except as otherwise provided in the Twenty-Fourth Supplement, except that the Paying Agent/Registrar shall require payment by the Holder requesting the transfer or exchange of any tax or other governmental charges required to be paid with respect to the transfer or exchange.

Bonds canceled by reason of an exchange or transfer pursuant to the provisions of the Twenty-Fourth Supplement are defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the Bond or Bonds registered and delivered in the exchange or transfer. Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption of the Bond; provided, however, a limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

The Bonds shall be initially issued either (i) as a single fully registered bond in the total principal amount specified in the Pricing Certificate with principal amounts to become due and payable as provided in the Pricing Certificate and numbered T-1, or (ii) as multiple fully registered bonds, being one bond for each stated maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the "Initial Bond(s)"). In either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or their designee. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the

Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or their designee, shall cancel the Initial Bond(s) delivered and exchange for the Initial Bond(s) definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified for the Holders; all pursuant to and in accordance with the written instructions from the initial purchaser(s), or their designee, and any other information and documentation as the Paying Agent/Registrar may reasonably require.

If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within 45 days of such redemption date; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless the Paying Agent/Registrar has received funds sufficient to pay the principal and premium, if any, and interest on the Bonds to be redeemed before giving of a notice of redemption, the

notice may state the City may condition redemption on the receipt of such funds by the Paying Agent/Registrar on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Bonds are special obligations of the City payable solely from and, together with the Previously Issued Electric Utility Obligations currently Outstanding, equally and ratably secured by a parity lien on and pledge of, the Net Revenues of the Electric Utility System in the manner provided in the Ordinances. Additionally, the Bonds, together with the Previously Issued Electric Utility Obligations, shall be secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund and Reserve Fund in accordance with the terms of the Ordinances. The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the Electric Utility System, except with respect to the Net Revenues. The holder of this Bond shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Subject to satisfying the related terms and conditions, the City has reserved the right to issue additional revenue obligations payable from and equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Electric Utility System, in the same manner and to the same extent as the Previously Issued Electric Utility Obligations and the Bonds.

Reference is made to the Ordinances, copies of which are on file with the Paying Agent/Registrar, and to all of the provisions of which the Holder by the acceptance of this Bond assents, for definitions of terms; the description of and the nature and extent of the security for the Bonds; the properties constituting the Electric Utility System; the Net Revenues pledged to the payment of the principal of and interest on the Bonds; the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds; the terms and conditions for the issuance of additional revenue obligations; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Ordinances may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the liens, pledges, charges and covenants made in the Ordinances may be discharged at or prior to the maturity of this Bond, and this Bond deemed to be no longer Outstanding under the Ordinances; and for the other terms and provisions contained in the Ordinances. Capitalized terms used in this Bond have the same meanings assigned in the Ordinances.

This Bond, subject to certain limitations contained in the Ordinances, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment on this Bond endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar executed by, the Registered Owner, or the authorized agent of the Registered Owner. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, may treat the registered owner of this Bond whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest on this Bond, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal of this Bond at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of non-payment of interest on a scheduled payment date and for 30 days after such event, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is certified, recited, represented and covenanted that the City is an organized and legally existing municipal corporation under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinances; that the Bonds do not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the Bonds by a pledge of the Net Revenues of the Electric Utility System. If any provision in this Bond or any application of any provision of this Bond shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any

way be affected or impaired by any such action. The terms and provisions of this Bond and the Ordinances shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

The City of Austin (the "City"), a body corporate and municipal corporation in the Counties of Travis, Williamson and Hays, State of Texas, for value received, promises to pay to the registered owner named above, or their registered assigns (the "Registered Owner"), solely from the revenues identified in this Bond, on the Stated Maturity date shown above the Principal Amount stated above (or so much of the Principal Amount as shall not have been paid upon prior redemption), and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on the unpaid Principal Amount of this Bond from the interest payment date next preceding the "Registration Date" of this Bond appearing below (unless this Bond bears a "Registration Date" as of an interest payment date, in which case it shall bear interest from such date, or unless the "Registration Date" of this Bond is prior to the initial interest payment date, in which case it shall bear interest from the _____).

Interest on this Bond is payable to the registered owner hereof by check, dated as of the Interest Payment Date, and sent by first–class mail, postage prepaid, by the Paying Agent/Registrar to each Owner at the address shown on the Register or by such other customary banking arrangement acceptable to the Paying Agent/Registrar requested by, and at the risk and expense of the Owner. The principal hereof is payable upon presentation and surrender of this Bond at the designated office of the Paying Agent/Registrar, or any successor Paying Agent/Registrar.

Capitalized terms used herein and not otherwise defined shall have the meanings assigned thereto in the Ordinance and Pricing Certificate pursuant to which the Bonds are issued.

For the purpose of the payment of interest on this Bond, the registered owner shall be the person in whose name this Bond is registered on the *Record Date*, which shall be the close of business on the fifteenth day of the month immediately preceding such Interest Payment Date.

As used herein, *Interest Payment Date* shall mean (i) with respect to Bonds during the Initial Interest Period, May 15, 2027 and each November 15 and May 15 thereafter; (ii) with respect to Bonds bearing interest at the Term Rate [or SIFMA Index Rate], the

fifteenth day of the sixth calendar month following the month in which the Term Rate Conversion Date occurs and the fifteenth day of each sixth month thereafter; (iii) with respect to Bonds bearing interest at the Fixed Rate, each May 15 and November 15, beginning on the first such date occurring after the Fixed Rate Conversion Date and (iv) each mandatory tender date during the Stepped Rate Period.

This Bond is one of the series specified in its title issued in the aggregate principal amount of $_____ ("Bonds") for the purpose of refinancing and refunding the Refunded Obligations (identified and defined in the Twenty-Fourth Supplement), improving and extending the System, and paying costs of issuance, in conformity with the Constitution and laws of the State of Texas, including Texas Government Code, Chapters 1207, 1371, and 1502, and pursuant to a Master Ordinance and Twenty-Fourth Supplement adopted by the City Council of the City, together with the Pricing Certificate executed pursuant thereto (collectively referred to as the "Ordinances").

The Bonds are special obligations of the City payable solely from and, together with the Previously Issued Electric Utility Obligations currently Outstanding, equally and ratably secured by a parity lien on and pledge of, the Net Revenues of the Electric Utility System in the manner provided in the Ordinances. Additionally, the Bonds, together with the Previously Issued Electric Utility Obligations, shall be secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund and Reserve Fund in accordance with the terms of the Ordinances. The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the Electric Utility System, except with respect to the Net Revenues. The holder of this Bond shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Subject to satisfying the related terms and conditions, the City has reserved the right to issue additional revenue obligations payable from and equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Electric Utility System, in the same manner and to the same extent as the Previously Issued Electric Utility Obligations and the Bonds.

Reference is made to the Ordinance, copies of which are on file with the Paying Agent/Registrar, and to all of the provisions of which the Holder by the acceptance of this Bond assents, for definitions of terms; the description of and the nature and extent of the security for the Bonds; the properties constituting the Electric Utility System; the Net Revenues pledged to the payment of the principal of and interest on the Bonds; the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds; the terms and conditions for the issuance of additional revenue obligations; the terms and conditions relating to the transfer or exchange of this Bond;

the conditions upon which the Ordinances may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the liens, pledges, charges and covenants made in the Ordinances may be discharged at or prior to the maturity of this Bond, and this Bond deemed to be no longer Outstanding under the Ordinance; and for the other terms and provisions contained in the Ordinance. Capitalized terms used in this Bond have the same meanings assigned in the Ordinance.

This Bond shall not be valid or obligatory for any purpose unless it is registered by the Comptroller of Public Accounts of Texas by certificate affixed or attached hereto or authenticated by the Paying Agent/Registrar by due execution of the Authentication Certificate provided herein.

Even though initially issued and from time to time Outstanding in a Variable Rate (defined herein) mode, the Bonds are not benefited by a third-party liquidity facility and are not subject to optional tender by the Holders thereof.

INTEREST PROVISIONS

This Bond bears interest at an Initial Rate, a Term Rate, or a SIFMA Index Rate (each a *Variable Rate*) or a Fixed Rate.

This Bond initially shall bear interest at the Initial Rate per annum from the Closing Date stated above through _____ (the *Initial Interest Period*). The Bonds shall be subject to mandatory tender, without right of retention by the owners thereof, on _____ and shall be tendered to the Remarketing Agent against payment therefor. Thereafter, this Bond shall bear interest at a Term Rate until converted to a Fixed Rate Period during which it shall bear interest at a Fixed Rate.

Subsequent to the Initial Interest Period, the rate of interest applicable to any Bond shall be determined in accordance with the applicable provisions of the Ordinance and, with respect to Term Rate Periods or Fixed Rate Periods, pursuant to the terms of the Remarketing Agreement between the City and the Remarketing Agent named by the City from time to time under the Ordinance (the *Remarketing Agent*).

Interest on Bonds shall be computed on the basis of a 360-day year of twelve 30-day months.

In addition to the Initial Rate, Bonds will bear interest from time to time, at Term Rates or Fixed Rates established in accordance with the Ordinance. While the Bonds bear interest at a Term Rate, the interest rate determined will remain in effect for a term of one year or any whole multiple of one year selected in accordance with the Ordinance.

At the option of the City, the Bonds bearing interest at a Variable Rate may be converted in whole or in part to bear interest at a Fixed Rate or Fixed Rates to the Maturity Date.

An interest rate mode will remain in effect until changed. During each Term Rate Period, and unless otherwise established by the City, the rate of interest on the Bonds shall be that rate which, in the determination of the Remarketing Agent, if borne by the Bonds on the date of such determination under prevailing market conditions, would result in the market value of the Bonds being equal to not less than 100% of the principal amount thereof. If the Remarketing Agent is unable, or fails, to determine the Term Rate, the Term Rate shall remain that in effect for the then current Term Rate Period. The provisions of this Bond, including, but not limited to this paragraph, are limited in all respects to those provisions of this Ordinance which limit the interest rate on the Bonds to the lesser of (a) [7.00%] per annum or (b) the maximum net effective interest rate permitted by law to be paid thereon as provided by Texas Government Code, Section 1204.006, as amended, or the maximum net effective interest rate permitted by applicable law at the time of issuance of the Bonds.

Bonds will be issued in denominations of $5,000 and integral multiples thereof.

WRITTEN NOTICE OF RATE MODE CHANGE

While the Bonds bear interest at a Variable Rate, the Paying Agent/Registrar shall give notice to the registered owners of the conversion from one interest rate mode to another at the times described in the Ordinance. ANY REGISTERED OWNER OF BONDS WHO MAY BE UNABLE TO TAKE TIMELY ACTION ON ANY NOTICE SHOULD CONSIDER WHETHER TO MAKE ARRANGEMENTS FOR ANOTHER PERSON TO ACT IN HIS OR HER STEAD. If a new interest rate mode for the Bonds is not selected in a timely fashion in accordance with the Ordinance, the interest rate mode then in effect will continue until changed by timely notice.

MANDATORY TENDER

While this Bond bears interest at a Variable Rate, this Bond is subject to mandatory tender for purchase by the Tender Agent at a Purchase Price equal to the principal amount hereof plus accrued interest hereon to the date of purchase, on the effective date of a change from one interest rate mode to a different interest rate mode.

The Bonds are subject to mandatory tender for purchase, without the right of Owners to retain Bonds, on the date specified in a notice to Owners, (i) on _____, which is the Interest Payment Date after the end of the Initial Interest Period ending on _____ and (ii) on each subsequent Conversion Date.

FAILED REMARKETING

Initial Interest Period. In the event that this Bond bears interest at an Initial Rate and it is not converted and remarketed to new purchasers on the scheduled date of mandatory tender, the City shall have no obligation to purchase this Bond tendered on such date, the failed conversion and remarketing shall not constitute an Event of Default under the Ordinance or this Bond, the mandatory tender will be deemed to have been rescinded for that date with respect to this Bond, and this Bond (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing of this Bond, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to redemption and mandatory tender for purchase on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at the City's discretion upon delivery of at least one day's notice to the holder hereof), and (v) will be deemed to continue in an Initial Interest Period for all other purposes of the Ordinance, though bearing interest during such time at the Stepped Rate, until remarketed or redeemed in accordance with the terms of the Ordinance. In the event of a failed conversion and remarketing as described above, the City will cause this Bond to be converted and remarketed on the earliest reasonably practical date on which it can be sold at par, in such interest rate mode or modes as the City directs, at a rate not exceeding the Maximum Rate.

Term Rate Periods. If this Bond is subject to mandatory tender on the Term Rate Conversion Date because of conversion to a new Term Rate Period from an existing Term Rate Period, and this Bond is not converted and remarketed to new purchasers on the scheduled date of mandatory tender because of a failed remarketing, then the City shall have no obligation to purchase this Bond tendered on such date, the failed conversion and remarketing shall not constitute an Event of Default under the Ordinance or this Bond, the mandatory tender will be deemed to have been rescinded for that date with respect to this Bond, and this Bond (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing of this Bond, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to redemption and mandatory tender for purchase on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at the City's discretion upon delivery of at least one day's notice to the holders thereof), and (v) will be deemed to continue in a Term Rate Period for all other purposes of this Ordinance, though bearing interest during such time at the Stepped Rate, calculated on the basis of a 360-day year of twelve 30-day months, until remarketed or redeemed in accordance with the terms of this Ordinance. In the event of a failed conversion and remarketing as described above, the City will cause this Bond to be converted and remarketed on the

earliest reasonably practical date on which it can be sold at par, in such interest rate mode or modes as the City directs, at a rate not exceeding the Maximum Rate.

UNDELIVERED BONDS

Bonds which are required to be tendered by the Owners thereof for purchase by the Tender Agent but which are not in fact delivered for purchase on the date and at the time required and for which there has been deposited an amount sufficient to pay the Purchase Price thereof, shall cease to accrue interest on the tender date, and the Owner thereof shall not be entitled to any payment other than the Purchase Price for such Bond. Such Bond shall no longer be outstanding and entitled to the benefits of the Ordinance, except for the payment of the Purchase Price from money held by the Tender Agent for such payment. On the tender date, the Tender Agent shall authenticate and deliver substitute Bonds in lieu of such Undelivered Bonds.

REDEMPTION PROVISIONS

Optional Redemption. Prior to the Fixed Rate Conversion Date, Bonds bearing interest at the Initial Rate during the Initial Interest Period and at a Term Rate during a Term Rate Period are subject to redemption, if at all, at the times, at the prices, and in the manner determined by the City at the time of initial delivery or on a Term Rate Conversion Date (and as evidenced in a Pricing Certificate); provided, however, that the Bonds are callable, at the option of the City, in whole or in part, at a redemption price equal to the principal amount thereof plus interest accrued thereon to the redemption date, on any Conversion Date. While the Bonds bear interest at the Initial Rate during the Initial Interest Period, the Bonds are not subject to redemption at the option of the City.

Bonds bearing interest at a Stepped Rate are subject to redemption, in whole or in part, at the option of the City, on any date at a redemption price equal to the principal amount thereof plus interest accrued thereon at the Stepped Rate to the redemption date.

Bonds bearing interest at a Fixed Rate or Fixed Rates are subject to redemption on the dates and at the prices determined by the City on the Fixed Rate Conversion Date.

Mandatory Redemption. The Bonds are subject to mandatory redemption, at a price equal to the principal amount thereof plus interest accrued thereon, on [May 15/November 15] of each year in the following minimum principal amounts:

Year	Amount ($)
*	

*Stated Maturity

The principal amount of Bonds required to be redeemed pursuant to the operation of such mandatory redemption provisions shall be reduced, at the option of the City, by the principal amount of any Bonds which, at least 50 days prior to the mandatory redemption date (1) shall have been defeased or acquired by the City and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the City with money in the Bond Fund, or (3) shall have been redeemed pursuant to the optional redemption provisions set forth above and not theretofore credited against a mandatory redemption requirement.

Bonds to be redeemed in any year by mandatory redemption shall be redeemed at par, plus accrued interest to the date of redemption, and shall be selected by lot (provided that redemption of Bonds on a Conversion Date where there exists no Holder optional right to retain shall be effective solely at the option of the City). The City, at its option, may credit against any mandatory redemption requirement, Bonds which have been purchased by the City, using funds other than remarketing proceeds, if any, at a price not exceeding the principal amount of such Bonds plus accrued interest to the date of purchase and canceled by or on behalf of the City, or have been redeemed and not theretofore applied as a credit against any mandatory redemption requirement.

Notice of optional and scheduled mandatory redemption shall be given by first–class mail, postage prepaid, (i) with respect to Bonds bearing interest at a Stepped Rate, at least 1 day prior to the redemption date and (ii) with respect to Bonds bearing interest at a Term Rate or Fixed Rate, at least 30 days before the date fixed for redemption, to the Owner of each Bond to be redeemed in whole or in part. Notice having been so given, the Bonds or portions thereof designated for redemption shall become due and payable on the redemption date specified in such notice; from and after such date, notwithstanding that any of the Bonds or portions thereof so called for redemption shall not have been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue.

Notwithstanding the foregoing (and provided the Holders of Bonds subject to tender have not been granted an optional right to retain), a notice of mandatory tender delivered in accordance with the Ordinance shall serve as notice of redemption of Bonds,

if any such redemption is to occur at the option of the City, on the Interest Payment Date occurring immediately after the conclusion of such applicable Interest Period.

GENERAL PROVISIONS

As provided in the Ordinance, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the designated office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity and interest rate mode, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

DELIVERY OF NOTICES AND BONDS

Any Bonds required to be delivered to the Tender Agent for purchase, and any notices required to be delivered to the Tender Agent hereunder shall be delivered to: _____.

Bonds required to be tendered for purchase shall be delivered to the Tender Agent prior to 5:00 p.m. on the Business Day next preceding the date of purchase.

The City will identify the Remarketing Agent for the Bonds in the ordinance authorizing the conversion upon expiration of the Initial Interest Period.

This Bond, subject to certain limitations contained in the Ordinances, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment on this Bond endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar executed by, the Registered Owner, or the authorized agent of the Registered Owner. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, may treat the registered owner of this Bond whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest on this Bond, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal of this Bond at

its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of non-payment of interest on a scheduled payment date and for 30 days after such event, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is certified, recited, represented and covenanted that the City is an organized and legally existing municipal corporation under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinances; that the Bonds do not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the Bonds by a pledge of the Net Revenues of the Electric Utility System. If any provision in this Bond or any application of any provision of this Bond shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired by any such action. The terms and provisions of this Bond and the Ordinances shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

Principal amounts of this Bond are payable in the year of maturity to the Registered Owner by _____ (the "Paying Agent/Registrar"), upon presentation and surrender, at its designated offices in _____ (the "Designated Payment/Transfer Office"). Interest is payable to the registered owner of this Bond whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the last business day of the month next preceding each interest payment date and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal

All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the registered owner and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

SECTION 11: **CRITERIA FOR ISSUANCE OF PARITY ELECTRIC UTILITY OBLIGATIONS**. The City has provided certain criteria and established certain covenants and agreements in relation to the issuance of Parity Electric Utility Obligations of the Electric Utility System pursuant to the Master Ordinance. The Twenty-Fourth Supplement provides for the authorization, issuance, sale, delivery, form, characteristics, provisions of payment and redemption, and security of the Bonds which are a series of Parity Electric Utility Obligations. The Master Ordinance is incorporated by reference and made a part of the Twenty-Fourth Supplement for all purposes, except to the extent modified and supplemented by the Prior Supplements and the Twenty-Fourth Supplement, and the Bonds are Parity Electric Utility Obligations under the Master Ordinance and the Prior Supplements. The City determines that it will have sufficient funds to meet the financial obligations of the Electric Utility System, including sufficient Net Revenues to pay the Annual Debt Service Requirements of the Bonds and to meet all financial obligations of the City relating to the Electric Utility System.

SECTION 12: **PLEDGE**. The Net Revenues of the Electric Utility System are pledged to the payment of the Bonds, and the Bonds, together with the Previously Issued Electric Utility Obligations currently Outstanding, shall be equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Electric Utility System in accordance with the terms of the Master Ordinance and the Twenty-Fourth Supplement. Additionally, the Bonds and the Previously Issued Electric Utility Obligations shall be secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund and the Reserve Fund in accordance with and to the extent required by the terms of the Master Ordinance, the Prior Supplements and the Twenty-Fourth Supplement. The Bonds are and will be secured by and payable only from the Net Revenues of the Electric Utility System, and are not secured by or payable from a mortgage or deed of trust on any properties, whether real, personal, or mixed, of the Electric Utility System. Council ordains that the Parity Electric Utility Obligations, and the interest on the Parity Electric Utility Obligations, shall constitute a lien on the Net Revenues of the Electric Utility System and shall be valid and binding and fully perfected from and after the date of adoption of the Twenty-Fourth Supplement without physical delivery or transfer or transfer of control of the Net Revenues, the filing of the Twenty-Fourth Supplement or

any other act; all as provided in Texas Government Code, Chapter 1208. The owners of the Parity Electric Utility Obligations shall never have the right to demand payment out of funds raised or to be raised by taxation, or from any source other than specified in the Master Ordinance, the Prior Supplements and the Twenty-Fourth Supplement.

Texas Government Code, Chapter 1208, applies to the issuance of the Bonds and the pledge of the Net Revenues of the Electric Utility System granted by the City under this Section 12, and this pledge is valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Net Revenues of the Electric Utility System granted by the City under this Section 12 is to be subject to the filing requirements of Texas Business & Commerce Code, Chapter 9, then to preserve to the Registered Owners the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business & Commerce Code, Chapter 9, and enable a filing to perfect the security interest in this pledge to occur.

SECTION 13: **DEBT SERVICE FUND**. By reason of the issuance of the Bonds, the City need not establish any special accounts within the Debt Service Fund and following the delivery of the Bonds, the City agrees and covenants to cause to be deposited to the credit of the Debt Service Fund an amount equal to 100% of the amount required to fully pay the interest on and principal of the Bonds falling due on or before each maturity, mandatory redemption date and interest payment date, and deposits shall be made in substantially equal monthly amounts on or before the 14th day of each month beginning on or before the 14th day of the month next following the month the Bonds are delivered to the initial purchaser.

The required monthly deposits to the Debt Service Fund for the payment of principal of and interest on the Bonds shall continue to be made in the manner provided in the Twenty-Fourth Supplement until such time as (i) the total amount on deposit in the Debt Service Fund is equal to the amount required to fully pay and discharge all Parity Electric Utility Obligations then Outstanding or (ii) the Bonds are no longer outstanding, i.e., fully paid as to principal and interest or all the Bonds have been refunded.

Accrued interest, if any, received from the initial purchaser(s) of the Bonds shall be deposited in the Debt Service Fund, and shall be taken into consideration and reduce the amount of the monthly deposits that would otherwise be required to be deposited to the credit of such Debt Service Fund from the Net Revenues of the Electric Utility System.

DRAFT

SECTION 14: **RESERVE FUND.**

(a) Establishment. A Reserve Fund shall not be required to be established or maintained by the City for the payment of the Parity Electric Utility Obligations so long as the "Pledged Net Revenues" of the System for a Fiscal Year equal or exceed 150% of the Annual Debt Service Requirements of the Parity Electric Utility Obligations due and payable in such Fiscal Year. If for any Fiscal Year such "Pledged Net Revenues" do not exceed 150% of the Annual Debt Service Requirements of the Parity Electric Utility Obligations, the City shall be obligated to establish and maintain on the books of the City a separate fund or account designated as the "Electric Utility System Revenue Obligation Reserve Fund" (the "Reserve Fund"). Upon being established and except as provided in subsection (f) below, the amount on deposit to the credit of the Reserve Fund shall be maintained for the benefit of the owners of the Parity Electric Utility Obligations. There shall be deposited into the Reserve Fund any Reserve Fund Obligations so designated by the City. The amounts deposited to the credit of the Reserve Fund shall be in a special fund maintained at an official depository of City. Reserve Fund Obligations in the Reserve Fund shall be used for the purpose of retiring the last of the Parity Electric Utility Obligations as they become due or paying principal of and interest on the Parity Electric Utility Obligations when and to the extent the amounts in the Debt Service Fund are insufficient for such purpose.

When a Reserve Fund is required to be established as noted above and while the same is required to be maintained, the Required Reserve Amount to be accumulated and maintained in such Fund shall be determined and redetermined as follows:

(i) 10% of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 150% of the Annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 140% of the annual Debt Service Requirement for such Fiscal Year;

(ii) 20% of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 140% of the Annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 130% of the annual Debt Service Requirement for such Fiscal Year;

(iii) 30% of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 130% of the Annual Debt Service

Requirement for such Fiscal Year, but greater than or equal to 120% of the annual Debt Service Requirement for such Fiscal Year;

(iv) 40% of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 120% of the Annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 110% of the annual Debt Service Requirement for such Fiscal Year; and

(v) 50% of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 110% of the Annual Debt Service Requirement for such Fiscal Year;

If at any time the City is required to fund the Required Reserve Amount, or to increase the Required Reserve Amount pursuant to a Supplement, the Required Reserve Amount or increase in the Required Reserve Amount, as applicable, may be funded in up to 12 substantially equal consecutive monthly deposits commencing not later than the month following the receipt of audited financial statements for the System for the preceding Fiscal Year.

(b) Credit Facility. The City may initially fund the Reserve Fund or replace or substitute a Credit Facility for cash or Eligible Investments on deposit in the Reserve Fund or in substitution for or replacement of any existing Credit Facility. Upon such replacement or substitution, the cash or Eligible Investments on deposit in the Reserve Fund, taken together with the face amount of any existing Credit Facilities, in excess of the Required Reserve Amount may be withdrawn by the City, at its option, and transferred to the System Fund unless such excess was funded with the proceeds of sale of Parity Electric Utility Obligations in which case such excess shall be deposited to the credit of the Debt Service Fund; provided that the face amount of any Credit Facility may be reduced at the option of the City in lieu of such transfer.

(c) Priority of Draws. If the City is required to make a withdrawal from the Reserve Fund for any of the purposes described in this Section, the City shall promptly notify the issuer of the Credit Facility of the necessity for a withdrawal from the Reserve Fund, and shall make the withdrawal FIRST from available moneys and cash resulting from the sale or liquidation of Eligible Investments then on deposit in the Reserve Fund, and NEXT from a drawing under any Credit Facility to the extent of the deficiency.

In the event of a draw on a Credit Facility, the City shall reimburse the issuer of the Credit Facility for such draw, in accordance with the terms of any agreement

pursuant to which the Credit Facility is issued, from Net Revenues, however, such reimbursement from Net Revenues shall be subject to the provisions of Section 14(d) below and shall be subordinate and junior in right of payment to the payment of principal of and premium, if any, and interest on the Parity Electric Utility Obligations.

(d) Reserve Amount Deficiency. In the event of a deficiency in the Reserve Fund, or in the event that on the date of termination or expiration of any Credit Facility there is not on deposit in the Reserve Fund sufficient Reserve Fund Obligations, all in an aggregate amount at least equal to the Required Reserve Amount, then the City shall, subject to satisfying or making provision for the uses having a priority on the Gross Revenues before any deposits for the payment and security of the Parity Electric Utility Obligations and after making required deposits to the Debt Service Fund in accordance with the terms of the Twenty-Fourth Supplement and any Supplement, cause the aggregate Required Reserve Amount then required to be on deposit in the Reserve Fund to be fully restored within 12 months from the date the deficiency, termination or expiration occurred by (i) making substantially equal cash deposits to the Reserve Fund on or before the last day of each month from the available Net Revenues, (ii) depositing Eligible Investments or Credit Facility to the credit of the Reserve Fund or (iii) a combination of (i) and (ii).

(e) Excess Required Reserve. As Parity Electric Utility Obligations secured by the Reserve Fund are paid, redeemed or defeased and cease to be Outstanding under the terms of the Ordinance or a Supplement, the Required Reserve Amount may be recalculated and redetermined, and any Reserve Fund Obligations on deposit in the Reserve Fund in excess of the Required Reserve Amount may be withdrawn and transferred, at the option of the City, to (i) the System Fund, if an amount equal to such excess was funded with Net Revenues, or (ii) the Debt Service Fund.

(f) Application to Commercial Paper/Credit Agreements. For the purpose of this Section, the Reserve Fund shall not secure Parity Electric Utility Obligations issued in the form of commercial paper, or any Credit Agreement issued in support of such Parity Electric Utility Obligations issued in the form of commercial paper, except as otherwise may be provided in any Supplement.

SECTION 15: **PAYMENTS OR CREDITS TO THE GENERAL FUND OF THE CITY**. In accordance with the provisions authorized by law and after the payments have been made in full in accordance with the provisions of Section 6 of the Master Ordinance, there shall be paid over or credited to the General Fund of the City (for general purposes of the City), to the extent Net Revenues of the System are available in the System Fund, an amount in cash not to exceed 12% of the three-year average gross revenues of the System deposited in the System Fund less power supply revenue and

district energy & cooling revenue, calculated using the current year estimate and the previous two years' actual revenues from the City's Annual Comprehensive Financial Report. The percentage of gross revenues of the Systems to be paid over or credited to the General Fund of the City each Fiscal Year shall be determined (within the 12% limitation) by the governing body of the City.

SECTION 16: **PAYMENT OF BONDS**. On or before the first scheduled interest payment date, and on or before each interest payment date and principal payment date after the first scheduled interest payment while any of the Bonds are Outstanding, the City shall cause an amount to be transferred to the Paying Agent/Registrar in immediately available funds from the Debt Service Fund sufficient to pay such interest on and such principal amount of the Bonds, as shall become due on such dates, respectively, at maturity or by redemption prior to maturity. The Paying Agent/Registrar shall destroy all paid Bonds and furnish the City with an appropriate certificate of cancellation or destruction.

SECTION 17: **COVENANTS TO MAINTAIN TAX EXEMPT STATUS.**

(a) Definitions. When used in this Section, the following terms have the following meanings:

"Closing Date" means the date on which the Bonds are first authenticated and delivered to the purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"Rebate Amount" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Regulations" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and Section 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which, if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner of any Bond for federal income tax purposes. Without limiting the generality of the preceding, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section. This Section applies only to a series of Bonds designated in the Pricing Certificate as tax-exempt.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Bonds) and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality

of the United States) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Bonds) other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the preceding covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take or pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings under the Code and the Regulations, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with any replacement money), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments of Gross Proceeds) on its books of account separately and apart from all other funds (and receipts, expenditures and investments of all other funds) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired with Gross Proceeds.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and to induce such purchase by measures designed to insure the excludability of the interest on the Bonds from the gross income of the owners of the Bonds for federal income tax purposes, the City shall pay to the United States out of the Debt Service Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, 100% of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, 90% of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs

(2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within 180 days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest on the Rebate Amount, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings under the Code and the Regulations, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Chief Financial Officer, Deputy Chief Financial Officer, or City Treasurer, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds. (1) At the time the original obligations refunded by the Bonds were issued, the City reasonably expected to spend at least 85% of the spendable proceeds of such original obligations within three years after such obligations were issued and (2) not more than 50% of the proceeds of the original obligations refunded by the Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of four years or more.

(l) Current Refunding. The payment and discharge of the Refunded Obligations will occur within ninety (90) days after the issuance of the Bonds and the portion of the Bonds issued to refund such obligations is a current refunding.

SECTION 18: **AMENDMENT OF TWENTY-FOURTH SUPPLEMENT**.

(a) Required Owner Consent for Amendments. The owners of a majority in Outstanding Principal Amount of the Bonds shall have the right from time to time to approve any amendment to the Twenty-Fourth Supplement which may be deemed necessary or desirable by the City; provided, however, nothing contained in the Twenty-

Fourth Supplement shall permit or be construed to permit the amendment of the terms and conditions in the Twenty-Fourth Supplement so as to:

(1) Make any change in the maturity of any of the Outstanding Bonds;
(2) Reduce the rate of interest borne by any of the Outstanding Bonds;
(3) Reduce the amount of the principal payable on the Bonds;
(4) Modify the terms of payment of principal of, premium, if any, or interest on the Outstanding Bonds or impose any conditions with respect to such payment;
(5) Affect the rights of the owners of less than all of the Bonds then Outstanding;
(6) Amend this subsection (a) of this Section; or
(7) Change the minimum percentage of the principal amount of Bonds necessary for consent to any amendment;

unless such amendment or amendments be approved by the owners of all of the Bonds affected by the change or amendment then Outstanding.

(b) Notice of Amendment Requiring Consent. If at any time the City shall desire to amend the Twenty-Fourth Supplement under this Section, the City shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in the City of New York, New York, and a newspaper of general circulation in the City, once during each calendar week for at least two successive calendar weeks. The notice shall briefly set forth the nature of the proposed amendment and shall state that a copy is on file with the Paying Agent/Registrar for the Bonds. Publication is not required, however, if notice in writing is given by mail, first class postage prepaid, to each owner of the Bonds.

(c) Time Period for Obtaining Consent. If within one year from (i) the date of the first publication of notice or (ii) the date of the mailing by the Paying Agent/Registrar of written notice to the owners of the Bonds, whichever date first occurs if both methods of giving notice are used, the City shall receive an instrument or instruments executed by the owners of at least a majority in Outstanding Principal Amount of the Bonds consenting to and approving such amendment in substantially the form of the copy on file with each Paying Agent/Registrar, the governing body of the City may pass the amendatory ordinance in substantially the same form.

(d) Revocation of Consent. Any consent given by the owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, and shall be conclusive and binding upon all future owners of the same Bonds during such period. At any time after six months from the date for measuring the one

year period to obtain consents noted in paragraph (c) above, a consent may be revoked by the owner who gave the consent, or by a successor in title, by filing written notice of a revocation with the Paying Agent/Registrar for such Bonds and the City, but such revocation shall not be effective if the owners of at least a majority in Outstanding Principal Amount of the then Outstanding Bonds as determined in accordance with this Section have, prior to the attempted revocation, consented to and approved the amendment.

(e) Implementation of Amendment. Upon the passage of any amendatory ordinance pursuant to the provisions of this Section, the Twenty-Fourth Supplement shall be deemed to be amended, and the respective rights, duties and obligations of the City under the Twenty-Fourth Supplement and all the owners of then Outstanding Bonds shall be determined, exercised and enforced under the Twenty-Fourth Supplement, subject in all respects to such amendment.

(f) Amendment without Consent. The preceding provisions of this Section notwithstanding, the City by action of its governing body may amend the Twenty-Fourth Supplement for any one or more of the following purposes:

(1) To vest the management and control of the Electric Utility System in an independent board of trustees or similar board pursuant to authority conferred by Texas Government Code, Section 1502.070 et seq. or other law now or hereafter enacted;

(2) To add to the covenants and agreements of the City in the Twenty-Fourth Supplement contained, other covenants and agreements thereafter to be observed, grant additional rights or remedies to the owners of the Bonds or to surrender, restrict or limit any right or power in the Twenty-Fourth Supplement reserved to or conferred upon the City;

(3) To make such provisions for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provision contained in the Twenty-Fourth Supplement, or in regard to clarifying matters or questions arising under the Twenty-Fourth Supplement, as are necessary or desirable and not contrary to or inconsistent with the Twenty-Fourth Supplement and which shall not adversely affect the interests of the owners of the Bonds then outstanding;

(4) To modify any of the provisions of the Twenty-Fourth Supplement in any other respect whatever, provided that such modification shall be, and be expressed to be, effective only after all the Bonds

DRAFT

outstanding at the date of the adoption of such modification shall cease to be outstanding;

(5) Reserved;

(6) To make such changes, modifications or amendments as may be necessary or desirable to allow the owners of the Bonds to avail themselves of a book entry system for payments, transfers and other matters relating to the Bonds, which changes, modifications or amendments are not contrary to or inconsistent with other provisions of the Twenty-Fourth Supplement and which shall not adversely affect the interests of the owners of the Bonds;

(7) To make any changes, modifications or amendments as may be necessary or desirable to obtain or maintain the granting of a rating on the Bonds by a Rating Agency or to obtain or maintain a Credit Agreement or a Credit Facility; and

(8) To make any other changes, modifications or amendments as may be necessary or desirable, which shall not adversely affect the interests of the owners of the Bonds, in order, to the extent permitted by law, to facilitate the economic and practical utilization of interest rate swap agreements, foreign currency exchange agreements, or similar types of agreements with respect to the Bonds. Notice of any amendment may be published by the City in the manner described in clause (b) of this Section; provided, however, that the publication of notice shall not constitute a condition precedent to the adoption of the amendatory ordinance and the failure to publish such notice shall not adversely affect the implementation of the amendment as adopted pursuant to such amendatory ordinance.

(g) Ownership. For the purpose of this Section, the ownership and other matters relating to all Bonds shall be established by the Security Register maintained by the Paying Agent/Registrar. Furthermore, the owner of any Bonds insured as to the payment of principal of and interest shall be deemed to be the insurance company providing the insurance coverage on such Bonds; provided such amendment to the Twenty-Fourth Supplement is an amendment that can be made with the consent of a majority in Outstanding Principal Amount of the Bonds and such insurance company is not in default with respect to its obligations under its insurance policy.

SECTION 19: **FINAL DEPOSITS; GOVERNMENTAL OBLIGATIONS**. All or any of the Bonds shall be deemed to be paid, retired and no longer outstanding

within the meaning of the Twenty-Fourth Supplement when payment of the principal of the Bonds, redemption premium, if any, on the Bonds, plus interest on the Bonds to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms of the Bonds (including the giving of any required notice of redemption), or (ii) shall have been provided by irrevocably depositing with, or making available to, the Paying Agent/Registrar, in trust and irrevocably set aside exclusively for such payment, (1) money sufficient to make such payment or (2) Government Obligations, certified by an independent public accounting firm of national reputation, to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to make such payment, and all necessary and proper fees, compensation and expenses of the Paying Agent/Registrar with respect to which such deposit is made shall have been paid or the payment thereof provided for the satisfaction of the Paying Agent/Registrar. At such time as a Bond shall be deemed to be paid under this Twenty-Fourth Supplement, it shall no longer be secured by or entitled to the benefit of the Twenty-Fourth Supplement, the Master Ordinance or a lien on and pledge of the Net Revenues of the Electric Utility System, and shall be entitled to payment solely from the money or Government Obligations held by the Paying Agent/Registrar.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, may at the direction of the City also be invested in Government Obligations, maturing in the amounts and at the times as set forth in this Section, and all income from all Government Obligations not required for the payment of the Bonds, and interest on the Bonds, with respect to which the money has been deposited, shall be turned over to the City or deposited as directed by the City.

Notwithstanding any other provisions of the Twenty-Fourth Supplement, all money or Government Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of the Bonds, the redemption premium, if any, and interest on the Bonds, shall be applied to and used for the payment of those Bonds, the redemption premium, if any, and interest thereon and the income on the money or Government Obligations shall not be considered to be "Gross Revenues" under the Twenty-Fourth Supplement.

SECTION 20: **DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS**. If any Outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for the Bond in the manner provided in this Section. An application for the replacement of damaged,

mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond shall furnish to the City and to the Paying Agent/Registrar security or indemnity as may be required by them to save each of them harmless from any loss, theft or damage with respect to any Bond being replaced. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of the Bond, as the case may be. In every case of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the owner of the Bond with all legal, printing, and other expenses in connection with its replacement. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the City whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of the Twenty-Fourth Supplement equally and proportionately with any and all other Bonds issued under the Twenty-Fourth Supplement.

Notwithstanding the preceding provisions of this Section, if any Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the City may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section. Furthermore, in accordance with Texas Government Code, Section 1206.022, this Section shall constitute authority for the issuance of any replacement bond without necessity of further action by the governing body of the City or any other body or person, and the duty of the replacement of the bonds is authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver replacement bonds in the form and manner and with the effect, as provided in Section 6 of the Twenty-Fourth Supplement for Bonds issued in exchange for other Bonds.

SECTION 21: **TWENTY-FOURTH SUPPLEMENT TO CONSTITUTE A CONTRACT; EQUAL SECURITY**. In consideration of the acceptance of the Bonds, the Twenty-Fourth Supplement shall be deemed to be and shall constitute a contract between the City and the Holders from time to time of the Bonds and the pledge made in the Twenty-Fourth Supplement by the City and the covenants and agreements set forth in the Twenty-Fourth Supplement to be performed by the City shall be for the equal and proportionate benefit, security, and protection of all Holders, without preference, priority, or distinction as to security or otherwise of any of the Bonds over any of the

DRAFT

others by reason of time of issuance, sale, or maturity of the Bond or otherwise for any cause, except as expressly provided in or permitted by the Twenty-Fourth Supplement.

SECTION 22: **CONTINUING DISCLOSURE UNDERTAKING**.

(a) *Definitions*. As used in this Section, the following terms have the meanings ascribed to such terms below:

"*Financial Obligation*" means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that "financial obligation" shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

"*MSRB*" means the Municipal Securities Rulemaking Board.

"*Rule*" means SEC Rule 15c2-12, as amended from time to time.

"*SEC*" means the United States Securities and Exchange Commission.

(b) *Annual Reports*. The City shall provide annually to the MSRB (1) within six months after the end of each fiscal year of the City beginning in the year stated in the Pricing Certificate, financial information and operating data with respect to the City of the general type included in the final Official Statement approved by the Pricing Officer and described in the Pricing Certificate, and (2) if not provided as part of such financial information and operating data in item (1), audited financial statements of the City within 12 months after the end of each fiscal year beginning in the year stated in the Pricing Certificate. If the audit of such financial statements is not complete within 12 months after any such fiscal year end, then the City shall file unaudited financial statements within such twelve-month period and audited financial statements for the applicable fiscal year, when and if the audit report on such statements becomes available. Any financial statements to be provided shall be (i) prepared in accordance with the accounting principles described in the Pricing Certificate or such other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation, and (ii) audited, if the City commissions an audit of such statements and the audit is completed within the period during which they must be provided.

The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with this Section by the time required by this Section.

(d) *Filings with the MSRB*. All financial information, operating data, financial statements, notices, and other documents provided to the MSRB in accordance with this Section shall be provided in an electronic format prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

(e) *Limitations, Disclaimers, and Amendments*. The City shall be obligated to observe and perform the covenants specified in this Section with respect to the City and the Bonds while, but only while, the City remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the City in any event will give the notice required by subsection (c) of this Section of any Bond calls and defeasance that cause the City to be no longer such an "obligated person."

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not undertake to provide any other information that may be relevant or material to a complete presentation of the financial results, condition, or prospects of the City or the State of Texas or undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided in this Section. The City does

not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Twenty-Fourth Supplement for purposes of any other provision of this Twenty-Fourth Supplement.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding any provisions in this Twenty-Fourth Supplement to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of the amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of the Twenty-Fourth Supplement that authorizes the amendment) of the Outstanding Bonds consent to the amendment or (b) a Person that is unaffiliated with the City and the State of Texas (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in the offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in

narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy provided in this Section shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

Obligations; all as contemplated and provided in Texas Government Code, Chapter 1207, and the Twenty-Fourth Supplement.

Additionally, the Pricing Officer shall determine the amount of any City contribution to the refunding from moneys on deposit in the interest and sinking fund(s) maintained for the payment of the applicable Refunded Obligations.

SECTION 29: **CONTROL AND CUSTODY OF BONDS**. The Chief Financial Officer of the City shall be and is authorized to take and have charge of all necessary orders and records pending the delivery of the Bonds, and shall take and have charge and control of the Initial Bond(s) pending the approval by the Attorney General, the registration by the Comptroller of Public Accounts and the delivery of the Initial Bond(s) to the Purchasers.

SECTION 33: **LIMITATION OF BENEFITS WITH RESPECT TO THE TWENTY-FOURTH SUPPLEMENT**. With the exception of the rights or benefits expressly conferred in the Twenty-Fourth Supplement, nothing expressed or contained in the Twenty-Fourth Supplement or implied from the provisions of the Twenty-Fourth Supplement or the Bonds is intended or should be construed to confer upon or give to any person other than the City, the Holders, and the Paying Agent/Registrar, any legal or equitable right, remedy, or claim under or by reason of or in respect to the Twenty-Fourth Supplement or any covenant, condition, stipulation, promise, agreement, or provision contained in the Twenty-Fourth Supplement. In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where the Twenty-Fourth Supplement provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice.
