DISCUSSION AND ACTION ITEMS

3. Discussion of near-term strategies or actions that could aid in the goal of preserving Lions Municipal Golf Course.

Bob Ozer, Save Muny member, suggested that SHMD begin preparing for its renewal next year in the Texas Legislature. He further suggested that the SHMD reach out to the City of Austin for an update on its efforts to engage with the University of Texas, that can then potentially be included in a report to Texas legislators.

Noel Bridges, board member of The Muny Conservancy, suggested that The University of Texas can greatly benefit by embracing its ownership of Lions Municipal Golf Course. She believes key donors might be the best group to make that case directly to the University.

No action was taken on this item.

4. Discussion of next steps for Texas Golf Hall of Fame to progress with its idea to construct a presence at Lions Municipal Golf Course.

Board Member McWilliams led discussion on likely steps necessary to advance the project proposed by the Texas Golf Hall of Fame. The Board agreed that gaining the support of University of Texas leadership would be the key first step in the process.

Board Member McWilliams was tasked with contacting the office of UT President Davis to schedule a meeting.

5. Discussion and consideration of projects to potentially be funded by SHMD, pending approval of the Austin Parks and Recreation Department.

Noel Bridges presented a list of potential projects for consideration at Lions Municipal Golf Course, including tee box signs. Ms. Bridges was encouraged to meet with Board Member Volma Overton and Steve Hammond, City of Austin, to prioritize items and return to the Board at the next meeting with suggested items for consideration for funding.
