ZONING CHANGE REVIEW SHEET

CASE: C14-2026-0065 - Primm Residence DISTRICT: 6

ADDRESS: 11403 Centennial Trail

ZONING FROM: DR TO: SF-1

SITE AREA: 0.9996 acres/43,543.75 sq. ft.

PROPERTY OWNER: Travis & Jialin Primm

AGENT: ĒSO Architecture + Design (Evan Gallarneau)

CASE MANAGER: Sherri Sirwaitis (512-974-3057, sherri.sirwaitis@austintexas.gov)

STAFF RECOMMENDATION:

The staff's recommendation is to grant SF-1, Single Family Residence-Large Lot District, zoning.

ZONING AND PLATTING COMMISSION RECOMMENDATION:
November 17, 2026: Item removed from consent agenda due to lack of quorum. Therefore, no action was taken and the case will need to be re-notified.

December 1, 2026:

CITY COUNCIL ACTION:

ORDINANCE NUMBER:

ISSUES: N/A

CASE MANAGER COMMENTS:

The property in question is a 0.9996 acres/43,543.75 sq. ft. lot currently developed with a single-family residence that fronts Centennial Trail. There are single-family residences to the north, south, east and west. The applicant has stated that they are requesting SF-1 zoning to add an approximately 1,500 sq. ft. addition onto the existing structure, with the addition of a pool and pool house on the property.

The staff recommends SF-1, Family Residence District, zoning at this location. The property meets the intent of the SF-1 zoning district and it is surrounded by existing single-family residential uses and will maintain single-family neighborhood characteristics. The lot under consideration currently does not meet the minimum lot size requirements for the existing DR zoning of 10 acres. The applicant's request for SF-1 zoning will bring the lot into conformance with site development standards regarding lot size.

The applicant agrees with the staff's recommendation.

BASIS OF RECOMMENDATION:

1. *The proposed zoning should be consistent with the purpose statement of the district sought.*

   Single-family residence large lot (SF-1) district is the designation for a low density single-family residential use on a lot that is a minimum of 10,000 square feet. An SF-1 district designation may be applied to a use on land with sloping terrain or environmental limitations that preclude standard lot size or to a use in an existing residential development on a lot that is 10,000 square feet or more. Up to three units are permitted under single-family residential development standards.

2. *The proposed zoning should promote consistency and orderly planning.*

   The property in question is surrounded by existing single-family residential uses within a platted residential subdivision. The proposed zoning is consistent with the SF-1 zoning to the east and the SF-2 zoning to the south and west.

3. *The proposed zoning should allow for a reasonable use of the property.*

   The proposed SF-1 zoning will permit the applicant to bring the property into compliance with site development standards regarding maximum lot size.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
Site	DR	Single-Family Residence
North	DR	Single-Family Residence with Pool
South	SF-2	Single-Family Residence with Pool
East	SF-1	Single-Family Residence with Pool
West	DR	Single-Family Residence

Environmental

The site is located over the Edwards Aquifer Recharge Zone. The site is in the Bull Creek Watershed of the Colorado River Basin, which is classified as a Water Supply Suburban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Drinking Water Protection Zone.

Under the current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

Development Classification	*% of Net Site Area*	*% NSA with Transfers*
One or Two Family Residential	30%	40%
Multifamily Residential	40%	55%
Commercial	40%	55%

Development within a Water Quality Transition Zone is limited to 18%.

According to floodplain maps there is no floodplain within or adjacent to the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment requires water quality control with increased capture volume and control of the 2 year storm on site.

At this time, no information has been provided as to whether this property has any preexisting approvals that preempt current water quality or Code requirements.

Fire

No comments.

Parks and Recreation

Parkland dedication will be required for the new applicable uses proposed by this development, residential with proposed SF-1 zoning, at the time of subdivision or site plan, per City Code § 25-1-601. Whether the requirement shall be met with fees in-lieu or dedicated land will be determined using the criteria in City Code Title 25, Article 14, as amended. Should fees in-lieu be required, those fees shall be used toward park investments in the form of land acquisition and/or park amenities within the surrounding area, per the Parkland Dedication Operating Procedures § 14.3.11 and City Code § 25-1-609, as amended.

If the applicant wishes to discuss parkland dedication requirements in advance of site plan or subdivision applications, please contact this reviewer: ann.desanctis@austintexas.gov. At the applicant's request, PARD can provide an early determination of whether fees in-lieu of land will be allowed.

Site Plan

No comments.

Transportation

The Austin Strategic Mobility Plan (ASMP) calls for 58 feet of right-of-way for Centennial Trail. It is recommended that 29 feet of right-of-way from the existing centerline should be dedicated for Centennial Trail according to the Transportation Plan with the first subdivision or site plan application. [LDC 25-6-51 and 25-6-55].

The adjacent street characteristics table is provided below:

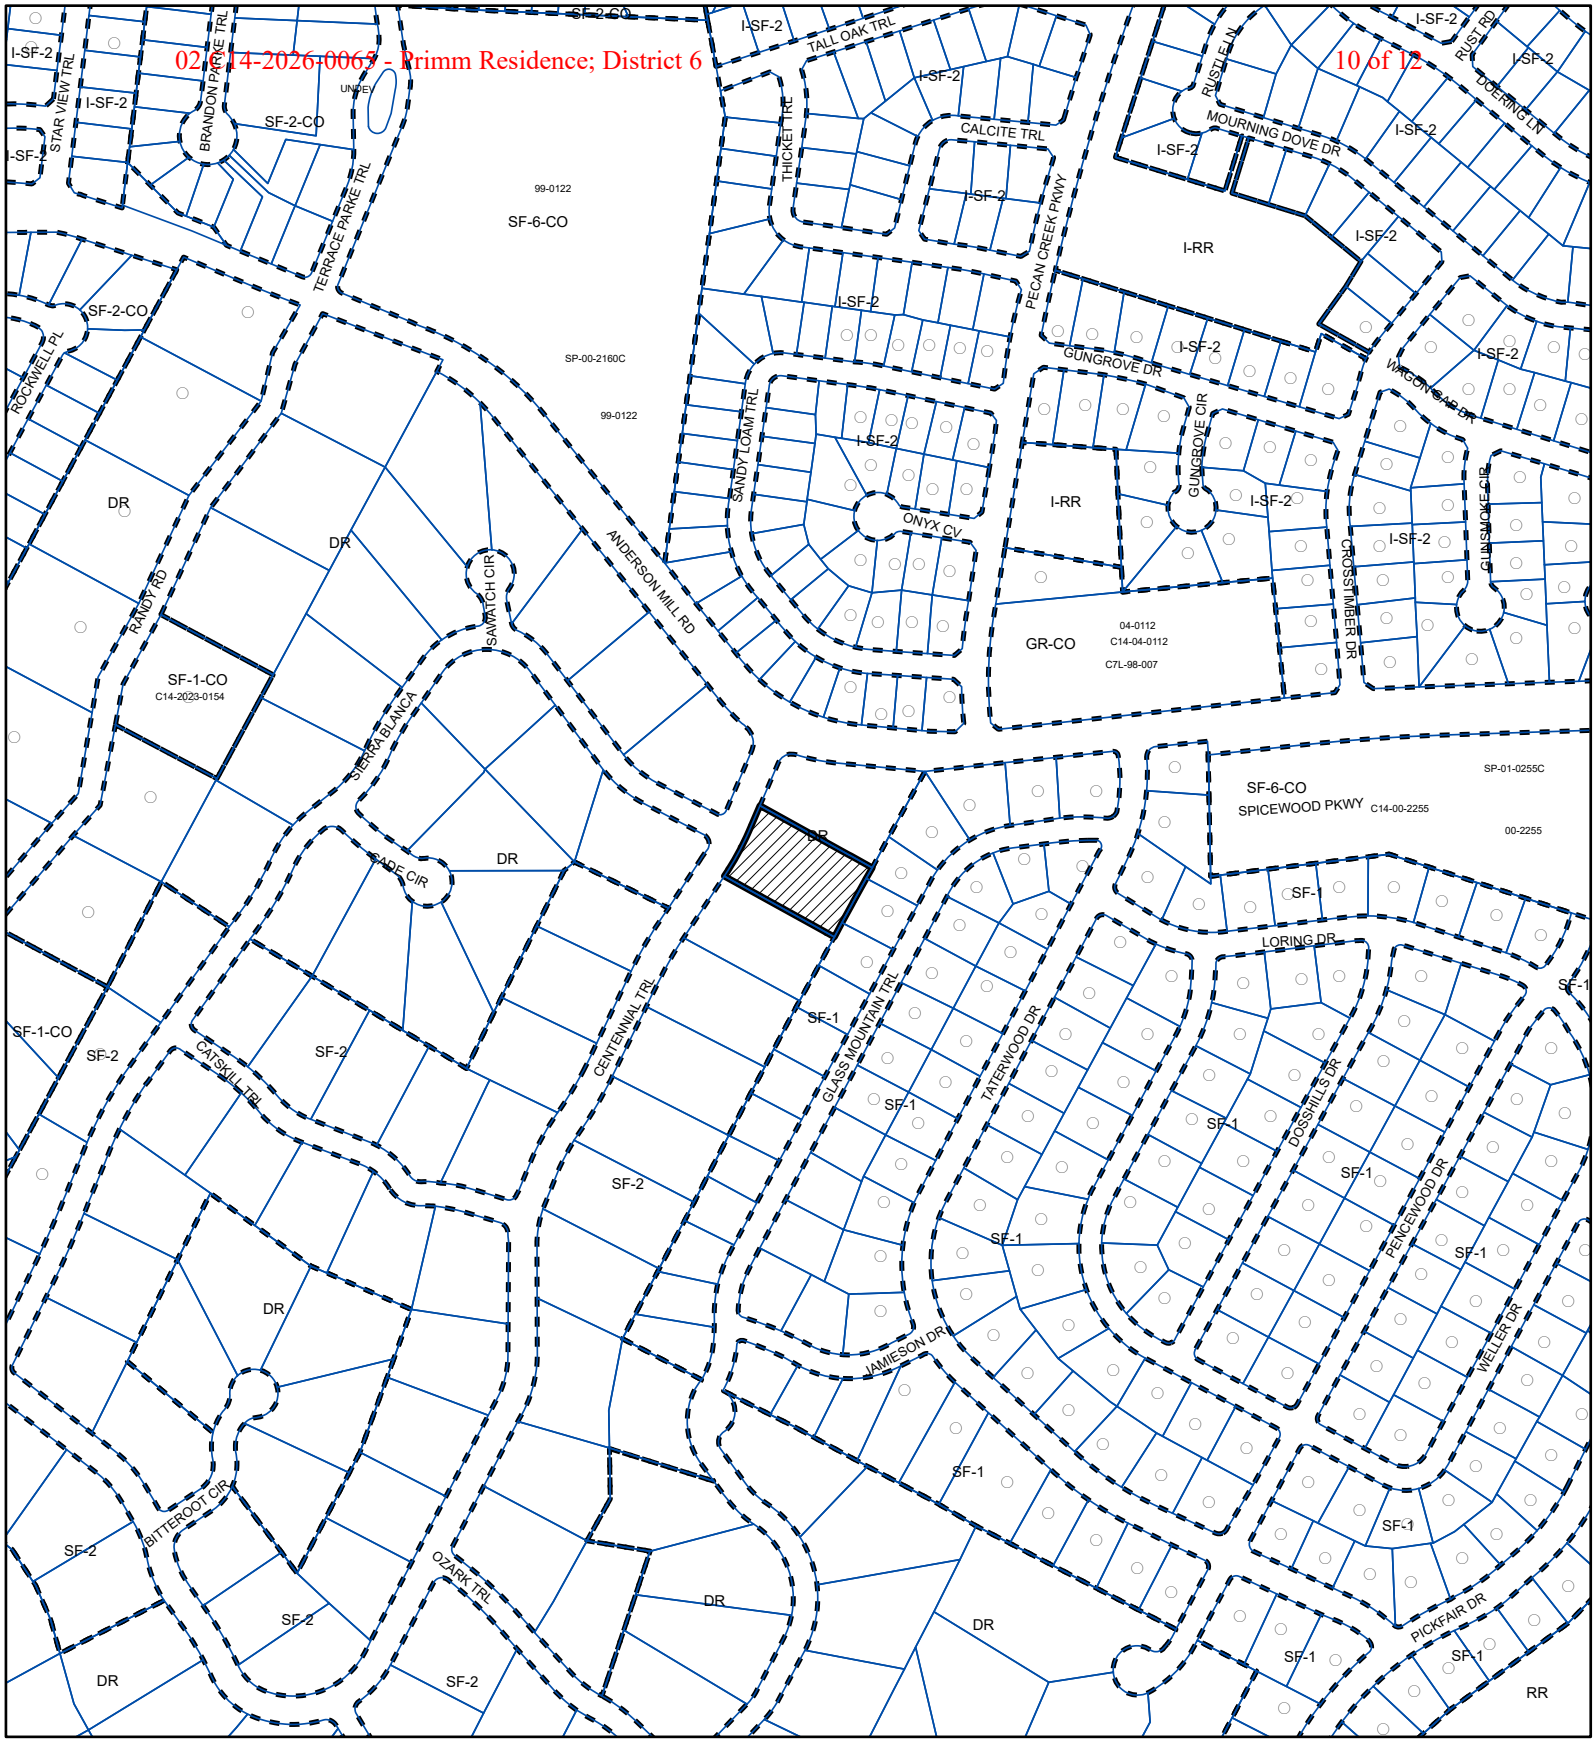

Name	**ASMP Classification**	**ASMP Required ROW**	**Existing ROW**	**Existing Pavement**	**Sidewalks**	**Bicycle Route**	**Capital Metro (within ¼ mile)**
Centennial Trail	Level 1	58-feet	Approx 58 feet	Approx 38 feet	None	None	None

Summary Letter 08.25.2026

City of Austin Development Services Department

6310 Wilhelmina Delco Dr, Austin, Texas 78752

To Whom It May Concern,

Please accept this letter as the formal summary for the zoning application submitted for 11403 Centennial Trail, Austin, TX 78726 (located within the City of Austin). The purpose of this request is to rezone from DR to SF-1 in order to support the proposed single-family remodel addition development.

Project Summary
The proposal includes an approximately 1,500 sf addition + proposed pool and pool house addition. The requested zoning is necessary to allow for compatibility with surrounding development.

Consistency with City Policies & Regulations
The project aligns with relevant City of Austin policies and adopted plans, and supports City goals related to housing. All development will comply with applicable sections of the Land Development Code, including site development standards, compatibility requirements, environmental regulations, and transportation review.

Thank you for your review. Please contact with any questions.
